The referendum was held in accordance with the provisions of the Tobacco Inspection Act, as amended (7 U.S.C. 511d) and the regulations set forth in 7 CFR 29.74.

Ballots for the February 6–10 referendum were mailed to 520 producers. Approval required votes in favor of the proposal by two-thirds of the eligible voters who cast valid ballots. The Department received a total of 207 responses: 185 eligible producers voted in favor of the consolidation; 17 eligible producers voted against the consolidation; and 5 ballots were determined to be invalid.

The Department of Agriculture is issuing this rule in conformance with Executive Order 12866.

This final rule has been reviewed under Executive Order 12788, Civil Justice Reform. This action is not intended to have retroactive effect. The Administrator has determined that this action will not have a significant economic impact on a substantial number of small entities.
