Self-Regulatory Organizations; the Philadelphia Depository Trust Company; Notice of Filing of Proposed Rule Change Extending the Pilot Program for the Fully Automated Securities Transfer Reconciliation Accounting Control System

March 10, 1995.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on December 14, 1994, the Philadelphia Depository Trust Company ("PHILADEP") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared primarily by PHILADEP. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

PHILADEP proposes to extend its pilot program governing the Fully Automated Securities Transfer Reconciliation Accounting Control System ("FASTRACS") through December 29, 1995.

II. Self-Regulatory Organization's Statements Regarding the Proposed Rule Change

In its filing with the Commission, PHILADEP included statements concerning the purpose of and the basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. PHILADEP has prepared summaries, as set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.

A. Self-Regulatory Organization's Statement of the Purpose of and the Statutory Basis for the Proposed Rule Change

On July 19, 1994, the Commission approved a proposed rule change establishing a pilot program for FASTRACS for the transfer of certain securities between PHILADEP and certain transfer agents.² FASTRACS is

an automated program by which PHILADEP and the participating transfer agents use a master balance certificate to evidence the number of securities of a particular issue that are registered in PHILADEP's nominee name. The transfer agents have custody of the securities in the form of balance certificates registered in PHILADEP's nominee name. The balance certificates are adjusted daily to reflect PHILADEP's withdrawal and deposit activity.

According to PHILADEP, the pilot program has operated successfully in accordance with the operational and technical specifications; however, testing of the program is not complete.³ PHILADEP therefore requests an extension of the FASTRACS pilot program on a temporary basis through December 29, 1995.

PHILADEP believes extending the program is consistent with Section 17A of the Act.⁴ By providing an efficient mechanism for the transfer of securities positions to and from participating transfer agents, the programs should help foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions and should facilitate the prompt and accurate clearance and settlement of securities transactions.

B. Self-Regulatory Organization's Statement on Burden on Competition

PHILADEP does not believe the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period (i)

³ Currently, PHILADEP has completed testing with two transfer agents who are now fully operational with FASTRACS. PHILADEP continues to conduct testing with a third transfer agent. Upon successful completion of testing with the third transfer agent, PHILADEP will file a proposed rule change under Section 19(b) of the Act to seek permanent approval of the FASTRACS program. ⁴ 17 CFR 200.30-3(a)(12) (1994).

as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing. Persons making such submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington DC 20549. Copies of such filings will also be available for inspection and copying at the principal office of PHILADEP.
