

**Finding of No Significant Impact for an Incidental Take Permit for the Construction of a Single Family Residence at Lot 37, Section 4, Block D, Jester Point 2 Subdivision, Travis County, Texas**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Notice.

**SUMMARY:** The U.S. Fish and Wildlife Service (Service) has prepared an Environmental Assessment for issuance of a Section 10(a)(1)(B) permit for the incidental take of the Federally endangered golden-cheeked warbler (*Dendroica chrysoparia*) during the construction and operation of a single-family residence in Travis County, Texas.

**Proposed Action**

The proposed action is the issuance of a permit under Section 10(a)(1)(B) of the Endangered Species Act to authorize the incidental take of the golden-cheeked warbler.

The Applicant plans to construct a single-family residence at Lot 37, Section 4, Block D, Jester Point 2 Subdivision. The proposed development will comply with all local, State, and Federal environmental regulations addressing environmental impacts associated with this type of development. Details of the mitigation are provided in the Lot 37, Section 4, Block D, Jester Point 2 Subdivision, Travis County, Texas, Environmental Assessment/Habitat Conservation Plan. Guarantees for implementation are provided in the Agreement. These conservation plan actions ensure that the criteria established for issuance of an incidental take permit will be fully satisfied.

**Alternatives Considered**

1. No action,
2. Proposed action,
3. Sale of this property and the purchase of another parcel to develop,
4. Alternative site design,
5. Wait for issuance of a regional Section 10(a)(1)(B) permit.

**Determination**

Based upon information contained in the Environmental Assessment/Habitat Conservation Plan, the Service has determined that this action is not a major Federal action which would significantly affect the quality of the human environment within the meaning of Section 102(2)(c) of the National Environmental Policy Act of 1969. Accordingly, the preparation of an Environmental Impact Statement on the proposed action is not warranted.

It is my decision to issue the Section 10(a)(1)(B) permit for the construction and operation of the single-family residence at Lot 37, Section 4, Block D, Jester Point 2 Subdivision, Travis County, Texas.
