Applicant's Representations

1. Applicant is an open-end management investment company that was organized as a business trust under the laws of Massachusetts. On October 29, 1940, applicant registered under the Act as an investment company. To the best knowledge of applicant, a registration statement to register its shares under the Securities Act of 1933 was initially filed on or about October 19, 1938. Applicant's initial public offering commenced in 1938.

2. On October 27, 1993, applicant's board of trustees approved an agreement and plan of reorganization (the "Plan") between applicant and Eaton Vance Stock Fund, a registered open-end management investment company (the "Acquiring Fund").¹

3. On December 8, 1993, applicant filed definitive proxy materials with the SEC and mailed such proxy materials to its shareholders. On December 15, 1993, applicant's shareholders approved the reorganization.

4. Pursuant to the Plan, on December 20, 1993, applicant transferred all, or substantially all, of its assets to the Acquiring Fund in exchange for shares of the Acquiring Fund. Immediately thereafter, applicant distributed *pro rata* to its shareholders the shares it received from the Acquiring Fund in the reorganization. On December 17, 1993, applicant had 439,017.095 shares outstanding, having an aggregate net asset value of \$8,346,241.30 and a per share net asset value of \$19.01.

5. Expenses incurred in connection with the reorganization were approximately \$38,291 and were paid by applicant's investment adviser, Invesco Management & Research, Inc.

6. There are no securityholders to whom distributions in complete liquidation of their interests have not been made. Applicant has no debts or other liabilities that remain outstanding. Applicant is not a party to any litigation or administrative proceeding.

7. Applicant's legal existence under Massachusetts law has been terminated.

8. Applicant is not now engaged, nor does it propose to engage, in any business activities other than those necessary for the winding up of its affairs.

¹ According to the proxy statement filed with the Commission by applicant in connection with the reorganization, the board of trustees considered that combining applicant with the Acquiring Fund could produce economies of scale which may be reflected in reduced costs per share. In addition, the board of trustees concluded that the reorganization would allow applicant's shareholders to become affiliated with a fund with similar investment objectives and greater net assets.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.
