Attachment 2—Guide Letter

Notification of Choice of Options for Borrowers With Section 515/8 and Interest Credit Agreements Signed Before October 27, 1980

Dear RHCDS Servicing Office:

In response to your certified letter dated _____, 1995, we have selected the following options for the further servicing of our loan account. We understand this is a one-time offer by the Rural Housing and Community Development Service (RHCDS) and our choice of *one* of each of the following categories is final and must be received by RHCDS by close of business December 29, 1995. We further understand that adjustments to the loan account will not be in the form of cash refunds from RHCDS.

Interest Credit

We choose to have RHCDS retroactively reinstate interest credit to its original level and retroactively have amounts equivalent to each collection of the difference between the original note payment under interest credit and the payment resulting from the elimination of interest credit be applied as regular payments to the loan as of the date each payment was originally applied. We understand our loan account will show as paid ahead of schedule after the adjustment and we are to continue paying regularly scheduled monthly loan payments.

We choose to continue with cancellation or reduction of interest credit as a voluntary choice made now or in a previous year.

Overage

We choose to have RHCDS retroactively remove previous overage charges and have amounts equivalent to each collection of overage be applied as regular payments to the loan as of the date each payment was originally applied. We understand our loan account will show as paid ahead of schedule after the adjustment and we are to continue paying regularly scheduled monthly loan payments.

We choose to continue paying overage as a voluntary choice made now or in a previous year.

Deposit of Excess Rent in the Project Reserve Account

We choose to have RHCDS remove the requirement of depositing excess rent in the project reserve account, additionally:

We are a limited profit or nonprofit borrower and we choose to apply any excess

rent and the amount in the reserve account that is excess to the required reserve account level adjusted for project life-cycle needs on the loan account, *or*

We are a full profit borrower and we choose to claim as profit any excess rent and the amount in the reserve account that is excess to the required reserve account level adjusted for project life-cycle needs, subject to approval by the RHCDS Servicing Office; (or)

We choose to continue depositing the excess rent in the project reserve account as a voluntary choice made now or in a previous year.

Sincerely,

(Borrower name and signature of borrower official)
