[Docket No. N-95-1917; FR-3778-N-32]

**Federal Property Suitable as Facilities
 To Assist the Homeless**

AGENCY: Office of the Assistant
 Secretary for Community Planning and
 Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies
 unutilized, underutilized, excess, and
 surplus Federal property reviewed by
 HUD for suitability for possible use to
 assist the homeless.

ADDRESSES: For further information,
 contact David Pollack, room 7256,
 Department of Housing and Urban
 Development, 451 Seventh Street SW,
 Washington, DC 20410; telephone (202)
 708-1234; TDD number for the hearing-
 and speech-impaired (202) 708-2565
 (these telephone numbers are not toll-
 free), or call the toll-free Title V
 information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In
 accordance with 56 FR 23789 (May 24,
 1991) and section 501 of the Stewart B.
 McKinney Homeless Assistance Act (42
 U.S.C. 11411), as amended, HUD is
 publishing this Notice to identify

Federal buildings and other real
 property that HUD has reviewed for
 suitability for use to assist the homeless.
 The properties were reviewed using
 information provided to HUD by
 Federal landholding agencies regarding
 unutilized and underutilized buildings
 and real property controlled by such
 agencies or by GSA regarding its
 inventory of excess or surplus Federal
 property. This Notice is also published
 in order to comply with the December
 12, 1988 Court Order in *National
 Coalition for the Homeless v. Veterans
 Administration*, No. 88-2503-OG
 (D.D.C.).

Properties reviewed are listed in this
 Notice according to the following
 categories: Suitable/available, suitable/
 unavailable, suitable/to be excess, and
 unsuitable. The properties listed in the
 three suitable categories have been
 reviewed by the landholding agencies,

and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Judy Breitman, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A-10, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 56 FR 23789 (May 24, 1991).

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to David Pollack at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the Federal Register, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing

sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: Department of the Interior: Lola D. Knight, Property Management Specialist, Department of the Interior, 1849 C Street, NW, Mail Stop 552-MIB, Washington, DC 20240; U.S. Air Force: Carol Xander, Air Force Real Estate Agency (Area-MI), Bolling Air Force Base, 172 Luke Avenue—Suite 104, Building 5683, Washington, DC 20332-5113; Dept. of Energy: Tom Knox, Acting Team Leader, Department of Energy, Facilities Planning and Acquisition Branch, FM-20, Room 6H-058, Washington, DC 20585; General Services Administration: Norman C. DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[OR-933-6332-00; GP5-101]

Closures and Restrictions: Oregon and Washington

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Pursuant to 43 CFR part 8364, the Bureau of Land Management (BLM) will place certain restrictions on the use of caves located on BLM-administered lands in Oregon and Washington. The purpose of the restrictions is to insure the protection of significant and potentially significant caves on BLM-administered lands in the two states.

The Federal Cave Resources Protection Act of 1988 (16 USC 4306) states that significant caves on federal lands are an invaluable and irreplaceable part of the Nation's natural heritage and, in some instances, these significant caves are threatened due to improper use, increased recreational demands, urban spread, and lack of specific statutory protection. As provided by the Act, it is also the policy of the United States that federal lands be managed in a manner which protect and maintain, to the extent practical, significant caves. Cave Management regulations define the process and criteria for determining cave significance (43 CFR Part 37, published in the Federal Register, Volume 58, No. 189 on October 1, 1993, pages 51550-51555). In accordance with the Act, federal agencies are required to prescribe policy or regulation which includes management measures to insure that caves under consideration for listing of significance be protected during the period of consideration. The Act further provides for agencies to regulate or restrict use, as appropriate for caves determined to be significant.

The term "cave" means any naturally occurring void, cavity, recess, or system of interconnected passages which occurs beneath the surface of the earth or within a cliff or ledge (including any
