

repeated in future administrative reviews.

On December 21, 1994 (59 FR 65755), the Department initiated a changed circumstances review to examine the cash deposit rate for MPP and Finapiel. On February 13, 1995, the Department published in the Federal Register the preliminary results of its changed circumstances countervailing duty administrative review on leather wearing apparel from Mexico (60 FR 8221). We have now completed this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act). The review covers the period January 1, 1994 through September 30, 1994, two manufacturers/exporters, and the following programs:

- (A) BANCOMEXT Loans and Export Financing
- (B) Certificates of Fiscal Promotion (CEPROFI)
- (C) FOGAIN
- (D) FONEI
- (E) State Tax Incentives
- (F) PITEX
- (G) Import Duty Reductions and Exemptions
- (H) Article 15 Loans

Scope of Review

Imports covered by this review are shipments of Mexican leather wearing apparel. These products include leather coats and jackets for men, boys, women, girls, and infants, and other leather apparel products including leather vests, pants, and shorts. Also included are outer leather shells and parts and pieces of leather wearing apparel. This merchandise is currently classifiable under *Harmonized Tariff Schedule* (HTS) item numbers 4203.10.4030, 4203.10.4060, 4203.10.4085 and 4203.10.4095. The HTS item numbers are provided for convenience and Customs purposes. The written description remains dispositive.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the Act and to the Department's regulations are in reference to the provisions as they existed on December 31, 1994.

Analysis of Comments Received

We gave interested parties an opportunity to comment on the preliminary results. We received no comments.

Final Results of Review

As a result of this review, we have determined that, during the first three quarters of 1994, MPP and Finapiel did not use any of the programs examined in the last administrative review of this

order (59 FR 43815; August 25, 1994), and therefore their cash deposit rate should be zero.

The Department will instruct the Customs Service to continue to suspend liquidation and to collect zero cash deposits of estimated countervailing duties, as provided by the Act, on shipments of Mexican leather wearing apparel from MPP and Finapiel exported on or after the date of publication of this notice of final results of review. These instructions shall remain in effect until publication of the final results of the next administrative review.

This changed circumstances review and notice are in accordance with section 751(b)(1) of the Act (19 U.S.C. 1675(b)(1)) and 19 CFR 355.22(h).

Dated: April 7, 1995.

Susan G. Esserman,
Assistant Secretary for Import Administration.
