32686, 37466, 60 FR 6702, 7945, 9326
and 10373) of proposed additions to the
Procurement List.

After consideration of the material
presented to it concerning capability of
qualified nonprofit agencies to provide
the commodity and services, fair market
price, and impact of the additions on
the current or most recent contractors,
the Committee has determined that the
commodity and services listed below
are suitable for procurement by the
Federal Government under 41 U.S.C.
46-48c and 41 CFR 51-2.4.

I certify that the following action will
not have a significant impact on a
substantial number of small entities.
The major factors considered for this
certification were:

1. The action will not result in any
additional reporting, recordkeeping or
other compliance requirements for small
entities other than the small
organizations that will furnish the
commodity and services to the
Government.

2. The action does not appear to have
a severe economic impact on current
contractors for the commodity and
services.

3. The action will result in
authorizing small entities to furnish the
commodity and services to the
Government.

4. There are no known regulatory
alternatives which would accomplish
the objectives of the Javits-Wagner-
O'Day Act (41 U.S.C. 46-48c) in
connection with the commodity and
services proposed for addition to the
Procurement List.

Accordingly, the following
commodity and services are hereby
