[FRL-5193-5]

Notice of Transfer and Disclosure of Confidential Business Information Obtained Under the Comprehensive Environmental Response, Compensation, and Liability Act to EPA Contractors and Subcontractors

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice: Request for comment.

SUMMARY: EPA Region I hereby complies with the requirements of 40 CFR 2.301(h) and 40 CFR 2.310(h) and intends to authorize access to Confidential Business Information (CBI) which has been submitted to EPA Region I, under the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), to the following contractors and subcontractors: CACI, Acumenics Research and Technology, Inc. and Aspen Systems Corporation.

FOR FURTHER INFORMATION CONTACT: Janine Keck Massey, U.S. Environmental Protection Agency, Office of Regional Counsel, RCU, J.F.K. Federal Building, Boston, MA 02203, (617) 565-3429.

NOTICE OF REQUIRED DETERMINATIONS, CONTRACT PROVISIONS AND OPPORTUNITY TO COMMENT: CERCLA, commonly known as "Superfund," requires the establishment of an administrative record upon which the President shall base the selection of a response action. CERCLA also requires the maintenance of many other records, including those relevant to cost recovery and litigation support. EPA Region I has determined that disclosure of CBI to its contractors and subcontractors is necessary in order that they may carry out the work requested under those contracts or subcontracts with EPA, including: (1) Compilation, organization and tracking of litigation support documents and information; (2) review and analysis of documents and information; and (3) provision of computerized database systems and customized reports. Documents include, but are not limited to, responses to CERCLA Section 104(e) information requests, contractor invoices, and progress reports. In
