

reopened for the purpose of exempting Wisconsin Department of Transportation's (WisDOT) abandonment of, and Wisconsin & Southern Railroad Co.'s (WSOR) discontinuance of service over, the 1.3-mile Beaver Dam Loop between mileposts 149.0 and 150.3 in Beaver Dam, Dodge County, WI.¹

WisDOT and WSOR certify that: (1) No local traffic has moved over the line for at least 2 years; (2) any overhead traffic on the line can be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a State or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Commission or with any U.S. District Court or has been decided in complainant's favor within the last 2 years; and (4) the requirements at 49 CFR 1105.7 (environmental report), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 and 1152.50(d)(1) (notice to government agencies), and 49

¹ WisDOT acquired the involved line, among others, under § 5(b)(2) of the Milwaukee Railroad Restructuring Act in *State of Wisconsin—Acquisition of Certain Lines of Chicago, Milwaukee, St. Paul and Pacific Railroad Company*, Finance Docket No. 29237 (ICC served Feb. 1, 1980). WSOR was authorized to operate the involved line, among others, in *Wisconsin and Southern Railroad Co.—Operation—Of a Line of Railroad in Dodge, Fond du Lac, Green Lake, Columbia, Milwaukee, Washington, Waukesha, and Winnebago Counties, WI*, Finance Docket No. 29375, et al. (ICC served Nov. 5, 1980).

WSOR initiated this proceeding on April 18, 1994, by filing a verified notice under the Commission's class exemption procedure at 49 CFR Part 1152, Subpart F—*Exempt Abandonments and Discontinuances* to abandon the involved line. WSOR's notice was rejected because the only entity that lawfully could abandon the line was WisDOT, which owned the line and had a residual common carrier obligation with respect thereto. *Wisconsin & Southern Railroad Co.—Abandonment Exemption—In Dodge County, WI*, Docket No. AB-383 (Sub-No. 2X) (ICC served June 22, 1994).

On February 7, 1995, WisDOT tendered a petition under 49 U.S.C. 10505 for an exemption from Subtitle IV of Title 49 of the United States Code to abandon the involved line. By letter filed April 6, 1995, WSOR requests permission to participate for the purpose of exempting its discontinuance of operations over the involved line. The WisDOT pleading is accepted for filing as a verified notice under the class exemption. The involved line qualifies for treatment under those rules.

Because WisDOT proposes to abandon the involved line, the only exemption it requires is from 49 U.S.C. 10903. Lines such as the Beaver Dam Loop that have been out of service for 2 years or more have been exempted from 49 U.S.C. 10903 by rule in Subpart F. The exemption is invoked by filing a notice. WisDOT's filing meets all of the requirements of such a notice. Adequate notice to government agencies and to the public has already been provided by WSOR. An exemption from Subtitle IV would be appropriate if WisDOT would be subject to any other provision of the Interstate Commerce Act in the future, but that is not the case. WisDOT reiterates its belief that it is not subject to the Commission's jurisdiction, but notes that it is not seeking a rehearing of that issue but rather an exemption for abandonment of the line.

CFR 1105.12 (newspaper publication) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment and discontinuance shall be protected under *Oregon Short Line R. Co.—Abandonment—Goshen*, 360 I.C.C. 91 (1979). To address whether employees are adequately protected, a petition for partial revocation under 49 U.S.C. 10505(d) must be filed.

This exemption will be effective May 18, 1995, unless stayed or a statement of intent to file an offer of financial assistance (OFA) is filed. Petitions to stay that do not involve environmental issues,² statements of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29⁴ must be filed by April 28, 1995. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by May 8, 1995. An original and 10 copies of any such filing must be sent to the Office of the Secretary, Case Control Branch, Interstate Commerce Commission, Washington, DC 20423. In addition, one copy must be served on Allyn Lepeska, Wisconsin Department of Transportation, Office of General Counsel, Room 115 B, P.O. Box 7910, Madison, WI 53707, and Robert A. Wimbish, REA, CROSS & AUCHINCLOSS, Suite 420, 1920 N Street, N.W., Washington, DC 20036.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

The Commission's Section of Environmental Analysis (SEA) issued an environmental assessment of abandonment of the involved line on May 9, 1994. A copy of the EA may be obtained by writing to SEA (Room 3219, Interstate Commerce Commission, Washington, DC 20423) or by calling Elaine Kaiser at (202) 927-6248. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

² The Commission will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Commission in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Service Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Commission may take appropriate action before the exemption's effective date.

³ See *Exempt. of Rail Abandonment—Offers of Finan. Assist.*, 4 I.C.C.2d 164 (1987).

⁴ The Commission will accept late-filed trail use requests so long as the abandonment has not been consummated and the abandoning railroad is willing to negotiate an agreement.

Decided: April 11, 1995.

By the Commission, David M. Konschnik, Director, Office of Proceedings.

Secretary.

BILLING CODE 4410-18-M

Drug Enforcement Administration

Alvin E. French, M.D.; Revocation of Registration

On February 7, 1994, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Alvin E. French, M.D., of Lima, New York. The Order to Show Cause sought to revoke Dr. French's

DEA Certificate of Registration, AF6392106, and to deny any pending applications for renewal of such registration.

The Order to Show Cause was sent to Dr. French at his registered location, 7304 East Main Street, Box 304, Lima, New York 14485, by registered mail. The Order to Show Cause was returned to DEA unclaimed with a notation on the envelope indicating that the forwarding order had expired. DEA investigators contacted the United States Post Office in Lima as well as the New York State Department of Health in an unsuccessful attempt to obtain a current address for Dr. French. Due to the fact that Dr. French has left no forwarding address, he is deemed to have waived his opportunity for a hearing. The Deputy Administrator now enters his final order in this matter without a hearing and based on the investigative file. See 21 CFR 1301.54(d) and 1301.57.

The Order to Show Cause alleged that Dr. French's DEA registration should be revoked in light of the fact that he is no longer authorized by the State of New York to handle controlled substances. See 21 U.S.C. 824(a)(3). The investigative file reveals that Dr. French voluntarily surrendered his New York State medical license effective November 5, 1992.

It is well established that the DEA cannot register a practitioner who is not duly authorized to handle controlled substances in the state in which he does business. See 21 U.S.C. 823(f). The DEA has consistently held that practitioners who lack state authorization to handle controlled substances cannot be registered by DEA. See *Ramon Pla, M.D.*, 51 FR 41168 (1986); *George S. Heath, M.D.*, 51 FR 26610 (1986); *Dale D. Shahan, D.D.S.*, 51 FR 23481 (1986).

Consequently, the Deputy Administrator concludes that since Dr. French is no longer authorized to handle controlled substances by the State of New York, Dr. French's DEA Certificate of Registration should be revoked. Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration, AF6392106, issued to Alvin E. French, M.D., be, and it hereby is, revoked, and that any pending applications for registration be, and they hereby are, denied. This order is effective May 18, 1995.

Dated: April 12, 1995.

Stephen H. Greene,

Deputy Administrator.
