Drug Enforcement Administration

Alvin E. French, M.D.; Revocation of Registration

On February 7, 1994, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Alvin E. French, M.D., of Lima, New York. The Order to Show Cause sought to revoke Dr. French's

DEA Certificate of Registration, AF6392106, and to deny any pending applications for renewal of such registration.

The Order to Show Cause was sent to Dr. French at his registered location, 7304 East Main Street, Box 304, Lima, New York 14485, by registered mail. The Order to Show Cause was returned to DEA unclaimed with a notation on the envelope indicating that the forwarding order had expired. DEA investigators contacted the United States Post Office in Lima as well as the New York State Department of Health in an unsuccessful attempt to obtain a current address for Dr. French. Due to the fact that Dr. French has left no forwarding address, he is deemed to have waived his opportunity for a hearing. The Deputy Administrator now enters his final order in this matter without a hearing and based on the investigative file. See 21 CFR 1301.54(d) and 1301.57.

The Order to Show Cause alleged that Dr. French's DEA registration should be revoked in light of the fact that he is no longer authorized by the State of New York to handle controlled substances. See 21 U.S.C. 824(a)(3). The investigative file reveals that Dr. French voluntarily surrendered his New York State medical license effective November 5, 1992.

It is well established that the DEA cannot register a practitioner who is not duly authorized to handle controlled substances in the state in which he does business. See 21 U.S.C. 823(f). The DEA has consistently held that practitioners who lack state authorization to handle controlled substances cannot be registered by DEA. See *Ramon Pla, M.D.*, 51 FR 41168 (1986); *George S. Heath, M.D.*, 51 FR 26610 (1986); *Dale D. Shahan, D.D.S.*, 51 FR 23481 (1986).

Consequently, the Deputy Administrator concludes that since Dr. French is no longer authorized to handle controlled substances by the State of New York, Dr. French's DEA Certificate of Registration should be revoked. Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration, AF6392106, issued to Alvin E. French, M.D., be, and it hereby is, revoked, and that any pending applications for registration be, and they hereby are, denied. This order is effective May 18, 1995.

Dated: April 12, 1995.

Stephen H. Greene,

Deputy Administrator.
