Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.
Title: 1995 Census Test—Integrated Coverage Measurement (ICM) Person Interview.

Form Number(s): DG-1309(L).

Agency Approval Number: 0607-0802.

Type of Request: Revision of a currently approved collection.

Burden: 8,570 hours.

Number of Respondents: 22,411.

Average Hours Per Response: 18 minutes.

Needs and Uses: Prompted by the need to improve estimation techniques during the decennial census, the Census Bureau has developed the Integrated Coverage Measurement (ICM) approach which will be tested during the 1995 Census Test. The ICM approach will utilize a separately sampled group of blocks within the 1995 Census Test sites which will be independently listed and enumerated. The independent enumeration will be reconciled to the census test results. This reconciliation will allow us to measure our coverage of persons in missed housing units and coverage of persons missed within housing units enumerated in the census test. This revision request is for clearance of an Evaluation Interview which will measure and evaluate errors caused by either enumerators or respondents during ICM enumerations. The Evaluation Interview will be identical to the ICM interview and will be conducted with a sample of persons who were enumerated during ICM. Information gathered will allow the Census Bureau to evaluate the ICM final coverage estimates.

Affected Public: Individuals or households.

Frequency: One-time only.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Maria Gonzalez, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Gerald Taché, DOC Forms Clearance Officer, (202) 482-3271, Department of Commerce, room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.
