Public Water System Supervision Program Revision for the State of Colorado

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Public notice is hereby given in accordance with the provisions of section 1413 the Safe Drinking Water Act as amended, 42 U.S.C. 300g-2, and 40 CFR Part 142, Subpart B-Primary Enforcement Responsibility, that the State of Colorado has revised its Public Water System Supervision (PWSS) Primacy Program. Colorado's PWSS program, administered by the Drinking Water Section of the Colorado Department of Public Health and Environment, has adopted regulations for surface water treatment, Phase II (7 inorganic and 26 organic chemicals), Phase IIb (1 inorganic and 4 organic chemicals), Phase V (5 inorganic and 18 organic chemicals), and lead and copper that correspond to the National Primary Drinking Water Regulations (NPDWR) in 40 CFR Part 141 for surface water

treatment (54 FR 27486-27541 published on June 29, 1989), Phase II 56 FR 3526-3597 published on January 30, 1991), Phase IIb (56 FR 30266-30281 published on July 1, 1991), Phase V (**Federal Register** Vol. 57, No. 138, July 17, 1992, Pg. 31776-31849), and lead and copper (56 FR 26460-26564 published on June 7, 1991). The Environmental Protection Agency (EPA) has completed its review of Colorado's primacy revisions and has determined that they are no less stringent than the NPDWRs. EPA therefore approves Colorado's primacy revisions for Surface Water Treatment, Phase II, IIb, V, and Lead and Copper Rules. This determination shall become effective May 24, 1995.

Any interested parties are invited to submit written comments on this determination, and may request a public hearing on or before May 24, 1995. If a public hearing is requested and granted, this determination shall not become effective until such time following the hearing that the Regional Administrator issues an order affirming or rescinding this action.

Any request for a public hearing shall include the following: (1) The name, address, and telephone number of the individual, organization, or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determination and of information that the requesting person intends to submit at such hearing; and (3) the signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of the responsible official of the organization or other entity.

Notice of any hearing shall be given not less than fifteen (15) days prior to the time scheduled for the hearing. Such notice will be made by the Regional Administrator in the **Federal Register**

The Regional Administrator will issue an order affirming or rescinding his determination upon review of the hearing record. Should the determination be affirmed, it will become effective as of the date of the order.
