Notice Pursuant to the National Cooperative Research and Production Act of 1993 Center for Waste Reduction Technologies

Notice is hereby given that, on March 14, 1995, pursuant to the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the Center for Waste Reduction Technologies ("CWRT") and its participants have filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) the identities of the parties and (2) the nature and objectives of the venture. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Pursuant to Section 6(b) of the Act, the identities of the parties and its general area of planned activity are: Center for Waste Reduction Technologies, New York, NY; American Institute of Chemical Engineers, New York, NY; ACS Industries, Inc., Woonsocket, RI; Air Products and Chemicals, Inc., Allentown, PA; Arthur D. Little, Inc., Cambridge, MA; B&V Waste Science & Technology Corp., Kansas City, MO; Battelle-Pacific NorthWest Laboratories, Richland, WA; Bechtel Group, Inc., San Francisco, CA; The B.F. Goodrich Company, Akron, OH; The BOC Group, Murray Hill, NY; CH2M HILL, Inc., Corvallis, OR; C.W. Nofsinger division of Burns & McDonnell, Kansas City, MO; The Dow Chemical Company, Midland, MI; Electric Power Research Institute, Palo Alto, CA; Gas Research Institute, Chicago, IL; Hoechst Celanese Corporation, Bridgewater, NJ; ICI Americas Inc., Wilmington, DE; Kinetics Technology International Corporation, San Dimas, Ca; Minnesota Mining & Manufacturing Company, St. Paul, MN; Mobil Research and Development Corporation, Pennington, NJ; Monsanto Company, St. Louis, MO; The M.W. Kellogg Company, Houston, TX; Rhone Poulenc North America, Monmouth Junction, NJ; SRI International, Menlo

Park, CA; US Department of Energy, Washington, DC; and Union Carbide Corporation, Danbury, CT.

The nature and objectives of this joint venture are to foster cooperation among industry, academia, and government for research and development, education, and information exchange on waste reduction technologies and processes to achieve the clean, efficient, and economical production and manufacturing facilities needed for sustainable development. The objectives of this venture will be achieved by establishing a broad program for the theoretical and practical analysis, experimentation, and systematic study of the relevant phenomena; the collection, exchange and analysis of the research data thus obtained; the development and testing of basic engineering techniques; and the extension of the findings and theories observed into practical application for experimental and demonstration purposes. In pursuing these objectives, CWRT will seek to stimulate, encourage and provide a means of establishing separate groups to undertake specific research projects that are consistent with the broad objectives of this venture.

Participation in this joint venture will remain open to qualified persons and organizations. The Participants intend to file additional written notifications disclosing all changes in membership. Information regarding participation in this joint venture may be obtained from: Center for Waste Reduction Technologies, 345 East 47th Street, New York, NY 10017-2395.
