

this early stage, of several court ruling related to public participation in the environmental review process. First, reviewers of a draft EIS must structure their participation in the environmental review of the proposal so that it is meaningful and alerts an agency to the reviewer's position and contentions (*Vermont Yankee Nuclear Power Corp v. NRDC*, 435, U.S. 519, 553, (1978)). Also, environmental objections that could be raised at the draft EIS state but that are not raised until after completion of the final EIS may be waived or dismissed by the courts (*City of Angoon v. Hodel*, 803 f. 2d 1016, 1022 (9th Cir, 1986) and *Wisconsin Heritages, Inc. v. Harris*, 490 F. Supp. 1334, 1338 (E.D. Wis. 1980)). In light of these court rulings, it is very important that those interested in this proposed action participate by the close of the comment period so that substantive comments and objections are made available to the Forest Service at a time when it can meaningfully consider them and respond to them in the final EIS. To assist the Forest Service in identifying and considering issues and concerns on the proposed action, comments on the draft EIS should be as specific as possible.

The final EIS is scheduled to be completed around October 1995. In the final EIS, the Forest Service is required to respond to comments and responses received during the comment period that pertain to the environmental consequences discussed in the draft EIS and applicable laws, regulations and policies considered in making the decision regarding this proposal. Tom Schmidt, Forest Supervisor, Ochoco National Forest, is the responsible official. As the responsible official he will document the decision and reasons for the decision in the Record of Decision. That decision will be subject to Forest Service appeal regulations (36 CFR Part 217).

Dated: April 14, 1995.

Thomas A. Schmidt,

Forest Supervisor.

Special American Business Internship Training Program (SABIT)

AGENCY: International Trade Administration, Commerce.

ACTION: Notice.

SUMMARY: This Notice announces availability of funds for the Special American Business Internship Training Program (SABIT), for training business executives and scientists (also referred to as "interns") from the New Independent States (NIS) of the former Soviet Union. The Department of Commerce, International Trade Administration (ITA) established the SABIT program in September 1990 to assist the former Soviet Union's transition to a market economy. Since that time, SABIT has been matching business executives and scientists from the NIS with U.S. firms which provide them with three to six months of hands-on training in a market economy.

Under the SABIT program, qualified U.S. firms will receive funds through a cooperative agreement with ITA to help defray the cost of hosting interns. ITA will interview and recommend eligible interns to participating companies. Interns may be from any of the following Independent States: Armenia, Azerbaijan, Belarus, Georgia, Kazakhstan, Kyrgyzstan, Moldova, Russia, Tajikistan, Turkmenistan, Ukraine, and Uzbekistan. The U.S. firms will be expected to provide the interns with a hands-on, non-academic, executive training program designed to maximize their exposure to management or commercially-oriented scientific operations. At the end of the training program, interns must return to the NIS.
