During the week of April 3 through April 7, 1995, the proposed decision and order summarized below was issued by the Office of Hearings and Appeals of the Department of Energy with regard to an application for exception.

Under the procedural regulations that apply to exception proceedings (10 CFR part 205, subpart D), any person who will be aggrieved by the issuance of a proposed decision and order in final form may file a written notice of objection within ten days of service. For purposes of the procedural regulations, the date of service of notice is deemed to be the date of publication of this Notice or the date an aggrieved person

receives actual notice, whichever occurs first.

The procedural regulations provide that an aggrieved party who fails to file a Notice of Objection within the time period specified in the regulations will be deemed to consent to the issuance of the proposed decision and order in final form. An aggrieved party who wishes to contest a determination made in a proposed decision and order must also file a detailed statement of objections within 30 days of the date of service of the proposed decision and order. In the statement of objections, the aggrieved party must specify each issue of fact or law that it intends to contest in any further proceeding involving the exception matter.

Copies of the full text of this proposed decision and order are available in the Public Reference Room of the Office of

Hearings and Appeals, Room 1E-234, Forrestal Building, 1000 Independence Avenue, S.W., Washington, D.C. 20585, Monday through Friday, between the hours of 1:00 p.m. and 5:00 p.m., except federal holidays.

Notice of Issuance of Decisions and Orders During the Week of January 30 Through February 3, 1995

During the week of January 30 through February 3, 1995 the decisions and orders summarized below were issued with respect to appeals and for other relief filed with the Office of Hearings and Appeals of the Department of Energy. The following summary also contains a list of submissions that were dismissed by the Office of Hearings and Appeals.

Appeal

Lloyd Makey, 2/1/95, VFA-0019

Lloyd Makey filed an Appeal from a determination issued to him by the

Assistant Inspector General for Investigations. In that determination, the Assistant Inspector General released several documents responsive to Mr. Makey's request under the Freedom of Information Act. In his Appeal, Mr. Makey contended that the DOE search was inadequate. In considering the Appeal, the DOE confirmed that the Assistant Inspector General followed procedures which were reasonably calculated to uncover responsive documents. Accordingly, the DOE denied the Appeal.
