BILLING CODE 8010-01-M

Issuer Delisting; Notice of Application to Withdraw From Listing and Registration; (Semtech Corporation, Common Stock, \$.01 Par Value) File No. 1-6395

April 20, 1995.

The Semtech Corporation ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, its Board of Directors unanimously approved resolutions on March 2, 1995 to withdraw the Security from listing on the Amex and, instead, list the Security on the Nasdaq/NMS. The decision of the Board followed a lengthy study of the matter, and was based upon the belief that listing of the Security on the Nasdaq/NMS will be more beneficial to its stockholders than the present listing on the Amex because:

(a) The support of Market Makers on the Nasdaq (as compared to the activities of the AMEX specialist) and the potential for research coverage and other financial services will be advantageous;

(b) The greater visibility of the Nasdaq with various media coverage will be advantageous;

(c) The potential for the Company to be promoted as a growth-oriented, diversified company is enhanced on the Nasdaq, given the Nasdaq's history;

(d) There is potentially more capital support for the Company in the Nasdaq given the Market Maker's responsibilities; and

(e) The services the Nasdaq offers that have been reviewed are more likely to assist the Company in communicating

with shareholders and understanding the market.

Any interested person may, on or before May 11, 1995, submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the Amex and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,

Secretary.

SUPPLEMENTARY INFORMATION: The following is a summary of the application. The complete application may be obtained for a fee at the SEC's Public Reference Branch.

Applicants' Representations

1. The Limited Term Portfolio is a series of the Trust and the Intermediate Maturity Fund is a series of the Income Trust. The Trust and the Income Trust each are registered under the Act as open-end management investment companies and are organized as Massachusetts business trusts. The Limited Term Portfolio and the Intermediate Maturity Fund are referred to herein as the "Funds."

2. SBMFM serves as investment adviser to the Intermediate Maturity Fund and the Limited Term Portfolio. Smith Barney is the Funds' distributor and, as of February 13, 1995, owned 12.22% of the outstanding shares of the Limited Term Portfolio. SBMFM and Smith Barney are each a wholly-owned subsidiary of Smith Barney Holdings, Inc. ("Holdings").

3. Each Fund offers three classes of shares, Class A, Class C and Class Y shares. Class A shares of each Fund are sold with an initial sales charge of 2.00% of the net asset value of the shares. Class C shares of each Fund are sold without an initial sales charge but are subject to a contingent deferred sales charge ("CDSC") of 1.00% payable upon certain redemptions. Class Y shares of each Fund are sold without an initial sales charge or CDSC and are available only to investors investing a minimum of \$5.0 million. Class A and Class C shares of each Fund are sold subject to substantially similar 12b-1 distribution plans.

4. The investment objectives, policies and restrictions of the Limited Term Portfolio and the Intermediate Maturity Fund are substantially similar. The Limited Term Portfolio seeks to pay its shareholders as high a level of income exempt from federal taxes and California personal income taxes by investing primarily in obligations issued by the State of California and its political subdivisions, agencies and instrumentalities. The Intermediate Maturity Fund seeks to provide its shareholders with as high a level of income exempt from federal income taxes and California personal income taxes by investing an investment-grade obligations issued by the State of California and its political subdivisions, agencies and public authorities.

5. The Intermediate Maturity Fund proposes to acquire all or substantially all of the assets and certain liabilities of the Limited Term Portfolio in exchange for shares of the Intermediate Maturity Fund pursuant to an agreement and plan of reorganization ("Reorganization Agreement"). Under the Reorganization Agreement, the number of shares of each class of the Intermediate Maturity Fund to be issued to the Limited Term Portfolio will be determined on the basis of the Funds' relative net asset values per their respective classes of shares. The Limited Term Portfolio then will liquidate and distribute such shares of the Intermediate Maturity Fund *pro rata* to its shareholders. Class A, Class C and Class Y shareholders of the Limited Term Portfolio would receive Class A, Class C and Class Y shares, respectively, of the Intermediate Maturity Fund.

6. The proposed reorganization was unanimously approved by the boards of trustees of the Trust and the Income Trust, including a majority of the trustees who are not interested persons, on December 1, 1994 and December 20, 1994, respectively. In approving the proposed reorganization, each board found that participation in the reorganization is in the best interests of the relevant Fund and that the interest of existing Fund shareholders will not be diluted as a result of the reorganization. Each board based its decision to approve the reorganization on a number of factors, including: (a) The terms and conditions of the reorganization; (b) the fact that the reorganization will be effected as a tax-free reorganization; (c) the costs of the reorganization to the Funds; (d) the compatibility of the objectives, policies and restrictions of the two Funds; (e) the savings in expenses borne by shareholders expected to be realized by the reorganization; and (f) the potential

benefits to the Funds' affiliates, including SBMFM, Smith Barney and Holdings.

7. Applicants contemplate that the Reorganization Agreement will be submitted for approval by the shareholders of the Limited Term Portfolio at a meeting scheduled to be held on or about June 23, 1995, and that a prospectus/proxy statement will be sent to shareholders of the Limited Term Portfolio in May 1995. Assuming that the required shareholder vote is obtained at the shareholders' meeting, the closing date is expected to be held shortly thereafter.

8. Smith Barney will bear any expenses incurred in connection with the reorganization, except that each Fund will be liable for any fees and expenses of its own custodian and transfer agent incurred in connection with the reorganization and the Limited Term Portfolio will be liable for all fees and expenses incurred relating to its liquidation and termination.

Applicants' Legal Analysis

1. Section 17(a), in pertinent part, prohibits an affiliated person of a registered investment company, acting as principal, from selling to or purchasing from such registered company, any security or other property. Section 17(b) provides that the SEC may exempt a transaction from section 17(a) if evidence establishes that the terms of the proposed transaction, including the consideration to be paid, are reasonable and fair and do not involve overreaching on the part of any person concerned, and that the proposed transaction is consistent with the policy of the registered investment company concerned and with the general purposes of the Act.

2. Rule 17a-8 under the Act exempts from section 17(a) mergers, consolidations, or purchases or sales of substantially all the assets involving registered investment companies that may be affiliated persons solely by reason of having a common investment adviser, common directors/trustees and/or common officers provided that certain conditions are satisfied. SBMFM is the investment adviser to both the Intermediate Maturity Fund and the Limited Term Portfolio, and Smith Barney is the distributor to both of the Funds. However, Smith Barney also is an "affiliated person" of the Limited Term Portfolio because it beneficially owns 5% or more of the shares of the Limited Term Portfolio; therefore, applicants may not rely on rule 17a-8.

3. Applicants believe that the terms of the proposed reorganization satisfy the standards set forth in section 17(b). The

boards of the Trust and the Income Trust have reviewed the terms of the reorganization as set forth in the Reorganization Agreement, including the consideration to be paid or received, and have found that participation in the reorganization is in the best interests of each Fund and that the interests of the existing shareholders of each Fund will not be diluted as a result of the reorganization. The investment objectives of the Funds, moreover, are essentially the same. Accordingly, the proposed reorganization will be consistent with the policies of each Fund.

For the Commission, by the Division of Investment Management, under delegated authority.

Margaret H. McFarland,

Deputy Secretary.
