

4. The investment objectives, policies and restrictions of the Limited Term Portfolio and the Intermediate Maturity Fund are substantially similar. The Limited Term Portfolio seeks to pay its shareholders as high a level of income exempt from federal taxes and California personal income taxes by investing primarily in obligations issued by the State of California and its political subdivisions, agencies and instrumentalities. The Intermediate Maturity Fund seeks to provide its shareholders with as high a level of income exempt from federal income taxes and California personal income taxes by investing an investment-grade obligations issued by the State of California and its political subdivisions, agencies and public authorities.

5. The Intermediate Maturity Fund proposes to acquire all or substantially all of the assets and certain liabilities of the Limited Term Portfolio in exchange for shares of the Intermediate Maturity Fund pursuant to an agreement and plan of reorganization ("Reorganization Agreement"). Under the Reorganization Agreement, the number of shares of each class of the Intermediate Maturity Fund to be issued to the Limited Term Portfolio will be determined on the basis of the Funds' relative net asset values per their respective classes of shares. The Limited Term Portfolio then will liquidate and distribute such shares of the Intermediate Maturity Fund *pro rata* to its shareholders. Class A, Class C and Class Y shareholders of the Limited Term Portfolio would receive Class A, Class C and Class Y shares, respectively, of the Intermediate Maturity Fund.

6. The proposed reorganization was unanimously approved by the boards of trustees of the Trust and the Income Trust, including a majority of the trustees who are not interested persons, on December 1, 1994 and December 20, 1994, respectively. In approving the proposed reorganization, each board found that participation in the reorganization is in the best interests of the relevant Fund and that the interest of existing Fund shareholders will not be diluted as a result of the reorganization. Each board based its decision to approve the reorganization on a number of factors, including: (a) The terms and conditions of the reorganization; (b) the fact that the reorganization will be effected as a tax-free reorganization; (c) the costs of the reorganization to the Funds; (d) the compatibility of the objectives, policies and restrictions of the two Funds; (e) the savings in expenses borne by shareholders expected to be realized by the reorganization; and (f) the potential

benefits to the Funds' affiliates, including SBMFM, Smith Barney and Holdings.

7. Applicants contemplate that the Reorganization Agreement will be submitted for approval by the shareholders of the Limited Term Portfolio at a meeting scheduled to be held on or about June 23, 1995, and that a prospectus/proxy statement will be sent to shareholders of the Limited Term Portfolio in May 1995. Assuming that the required shareholder vote is obtained at the shareholders' meeting, the closing date is expected to be held shortly thereafter.

8. Smith Barney will bear any expenses incurred in connection with the reorganization, except that each Fund will be liable for any fees and expenses of its own custodian and transfer agent incurred in connection with the reorganization and the Limited Term Portfolio will be liable for all fees and expenses incurred relating to its liquidation and termination.

Applicants' Legal Analysis

1. Section 17(a), in pertinent part, prohibits an affiliated person of a registered investment company, acting as principal, from selling to or purchasing from such registered company, any security or other property. Section 17(b) provides that the SEC may exempt a transaction from section 17(a) if evidence establishes that the terms of the proposed transaction, including the consideration to be paid, are reasonable and fair and do not involve overreaching on the part of any person concerned, and that the proposed transaction is consistent with the policy of the registered investment company concerned and with the general purposes of the Act.

2. Rule 17a-8 under the Act exempts from section 17(a) mergers, consolidations, or purchases or sales of substantially all the assets involving registered investment companies that may be affiliated persons solely by reason of having a common investment adviser, common directors/trustees and/or common officers provided that certain conditions are satisfied. SBMFM is the investment adviser to both the Intermediate Maturity Fund and the Limited Term Portfolio, and Smith Barney is the distributor to both of the Funds. However, Smith Barney also is an "affiliated person" of the Limited Term Portfolio because it beneficially owns 5% or more of the shares of the Limited Term Portfolio; therefore, applicants may not rely on rule 17a-8.

3. Applicants believe that the terms of the proposed reorganization satisfy the standards set forth in section 17(b). The

boards of the Trust and the Income Trust have reviewed the terms of the reorganization as set forth in the Reorganization Agreement, including the consideration to be paid or received, and have found that participation in the reorganization is in the best interests of each Fund and that the interests of the existing shareholders of each Fund will not be diluted as a result of the reorganization. The investment objectives of the Funds, moreover, are essentially the same. Accordingly, the proposed reorganization will be consistent with the policies of each Fund.

² Dividing the number of outstanding shares by the total net assets does not yield a precise figure of \$1.00 per share. This results from both the effect on the total net assets of realized gains and losses resulting from the sale of portfolio securities prior to their stated maturity and the effect of penny rounding.

[Social Security Ruling SSR 95-1p]

Titles II and XVI: Finding Good Cause for Missing the Deadline To Request Administrative Review Due to Statements in the Notice of Initial or Reconsideration Determination Concerning the Right To Request Review and the Option to File a New Application

AGENCY: Social Security Administration.

ACTION: Notice of Social Security Ruling.

SUMMARY: In accordance with 20 CFR 422.406(b)(1), the Commissioner of Social Security gives notice of Social Security Ruling 95-1p. This Policy Interpretation Ruling clarifies the Social Security Administration's policy on establishing good cause for late filing of a request for administrative review where the claimant received a notice of an initial or reconsideration determination made prior to July 1, 1991, which did not explain that filing a new application instead of a request for review could result in the loss of benefits. Notices of determinations made on or after July 1, 1991, are covered under Section 205(b) of the Social Security Act, as amended by Public Law 101-508.

EFFECTIVE DATE: April 26, 1995.

Although Social Security Rulings do not have the force and effect of the law or regulations, they are binding on all components of the Social Security Administration, in accordance with 20 CFR 422.406(b)(1), and are to be relied upon as precedents in adjudicating other cases.

¹ Section 17(a) of the Act generally prohibits sales or purchase of securities between registered investment companies and any affiliated person of that company. Rule 17a-8 provides an exemption from section 17(a) for certain reorganizations among registered investment companies that may be affiliated persons, or affiliated persons of an affiliated person, solely by reason of having a common investment adviser, common directors, and/or common officers. Applicant and the Acquiring Fund were "affiliated persons" as defined in the Act solely by reason of having a common investment adviser.
