BILLING CODE 7590-01-M

[Docket Nos. 50-16 and 50-341]

**Detroit Edison Co.; Enrico Fermi
 Nuclear Plant, Unit Nos. 1 and 2**

Notice is hereby given that the United States Nuclear Regulatory Commission (the Commission) is considering approval under 10 CFR 50.80 and 10 CFR 30.34 of the proposed corporate restructuring of Detroit Edison Company (DECo), the licensee for Fermi 1, and Fermi 2, and seven byproduct licenses. By letter dated March 27, 1995, DECo informed the Commission that a corporate restructuring of DECo has been proposed that will result in the creation of a holding company under the name DTE Holdings, Inc. ("Holding Company") of which DECo would become a wholly-owned subsidiary. DECo will remain holder of its licenses for Fermi 1, Fermi 2, and the seven byproduct licenses. Under the restructuring, the holders of DECo common stock will become the holders of common stock of the Holding Company on a share-by-share basis. After the restructuring, DECo will continue to be a public utility providing the same utility services as it did immediately prior to the reorganization. According to the proposed plan, there will be no significant change in ownership, management, or sources of funds for operation, maintenance, or decommissioning of the Fermi power station due to the corporate restructuring.

Pursuant to 10 CFR 50.80 and 10 CFR 30.34, the Commission may approve the transfer of control of a license after notice to interested persons. Such approval is contingent upon the Commission's determination that the holder of the license following the transfer is qualified to have control of the license and that the transfer of such control is otherwise consistent with applicable provisions of law, regulations, and orders of the Commission.

For further details with respect to this proposed action, see the licensee's letter dated March 27, 1995, with the following attachments: DECo's proposed notice; letter dated February 10, 1995, from Robert S. Waters, Counsel for the licensee, containing the February 10, 1995, DECo application before the Federal Energy Regulatory Commission;

and the March 9, 1995, Form S-4 registration statement for DTE Holding, Inc., filed before the Securities and Exchange Commission. These documents are available for public inspection at the Commission's Public Document Room, 2120 L Street, N.W., Washington, DC, and at the local public document room located at the Monroe County Library System, 3700 South Custer Road, Monroe, Michigan 48161.

Dated at Rockville, Maryland, this 17th day of April 1995.
