Office of the Secretary

Civilian Health and Medical Program of the Uniformed Services (CHAMPUS); Establishment of National Differentials for Children's Hospitals

AGENCY: Office of the Secretary, DoD. **ACTION:** Notice.

SUMMARY: The Office of the Civilian Health and Medical Program of the Uniformed Services (OCHAMPUS) is announcing the national differential rates for children's hospitals which go into effect April 1, 1995. This notice is issued as required in 32 CFR 199.14 in which OCHAMPUS announced that a notice would be published setting forth the national differential and eliminating the hospital-specific differentials.

FOR FURTHER INFORMATION CONTACT: Marty Maxey, Program Development Branch, OCHAMPUS, telephone (303) 361–1227.

SUPPLEMENTARY INFORMATION: DoD 6010.8-R (Civilian Health and Medical Program of the Uniformed Services (CHAMPUS)) was published in the Federal Register on July 1, 1986 (51 FR 24008). On October 1, 1987, OCHAMPUS implemented a DRG-based payment system, modeled on the Medicare Prospective Payment System. Children's Hospitals were exempted from the initial implementation until a children's hospital differential rate could be developed. This would ensure that payments to children's hospitals remained budget neutral compared to fiscal year 1988 charges. Since we included children's hospitals under the CHAMPUS diagnosis related group (DRG) payment system in 1989, we have implemented the special measures directed by Congress. When children's hospitals were included by Congress. When children's hospitals were included under the DRG-based payment systems, we implemented the pediatricmodified DRGs (PM-DRGs) for neonatal services. The PM-DRGs, which were developed by the National Association of Children's Hospitals and Related Institutions (NACHRI), replaced the six Medicare neonatal DRGs with thirtyfour DRGs which account for birthweight, surgery and the presence of multiple, major and other neonatal problems.

When we implemented the PM–DRGs, we promised an early review of the weights to ensure that they were adequate. The original weights had been derived from a database provided by NACHRI which was believed to be representative of CHAMPUS. However, the case mix and the charges apparently were very different and in December
