

ACTION: Final rule; correction.

SUMMARY: The Food and Drug Administration (FDA) is correcting a final rule that appeared in the **Federal Register** of February 15, 1995 (60 FR 8916). The document was published with a typographical error in the codified section. This document corrects that error.

EFFECTIVE DATE: August 15, 1995.

Losses on Small Business Stock

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Final regulations.

SUMMARY: This document contains final regulations amending regulations under section 1244 relating to losses on small business stock. The final regulations remove the requirement that a taxpayer claiming a section 1244 ordinary loss file an information statement with the taxpayer's income tax return.

DATES: These regulations are effective April 27, 1995.

For dates of applicability of these regulations, see "Effective Date" under

SUPPLEMENTARY INFORMATION portion of preamble.

SUPPLEMENTARY INFORMATION:

Paperwork Reduction Act

The collection of information contained in these final regulations has been reviewed and approved by the Office of Management and Budget in accordance with the Paperwork Reduction Act (44 U.S.C. 3504(h)) under control number 1545-1447. The estimated annual burden per recordkeeper varies from .10 hours to .30 hours, depending on individual circumstances, with an estimated average of .20 hours.

Comments concerning the accuracy of this burden estimate and suggestions for reducing this burden should be sent to the Internal Revenue Service, Attn: IRS Reports Clearance Officer, PC:FP, Washington, DC 20224, and to the Office of Management and Budget, Attn: Desk Officer for the Department of the Treasury, Office of Information and Regulatory Affairs, Washington, DC 20503.

Background

On November 15, 1994, a notice of proposed rulemaking (CO-46-94), amending regulations under section 1244 of the Internal Revenue Code relating to losses on small business stock, was published in the **Federal Register** (59 FR 58800). No public hearing was requested or held.

One written comment responding to the notice was received. The comment was favorable. The regulations proposed by CO-46-94 are adopted without revision by this Treasury decision.

Explanation of Provision

Section 1.1244(e)-1(b) of the Income Tax Regulations is revised to eliminate the requirement that a taxpayer file an information statement with the taxpayer's income tax return. However, because a taxpayer who claims an ordinary loss under section 1244 still bears the burden of establishing that the deduction is proper, § 1.1244(e)-1(b) is revised to state that a person who claims an ordinary loss with respect to stock under section 1244 must have records sufficient to establish that the taxpayer is entitled to the loss and satisfies the requirements of section 1244.

Effective Date

These regulations are effective for open taxable years beginning after December 31, 1953, the effective date of

Treasury Decision 6495, which prescribed regulations under section 1244.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in EO 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) and the Regulatory Flexibility Act (5 U.S.C. chapter 6) do not apply to these regulations, and, therefore, a Regulatory Flexibility Analysis is not required. Pursuant to section 7805(f) of the Internal Revenue Code, the notice of proposed rulemaking preceding these regulations was submitted to the Small Business Administration for comment on its impact on small business.

Drafting Information

The principal author of these regulations is Kirsten L. Simpson, Office of Assistant Chief Counsel (Corporate), IRS. However, other personnel from the IRS and Treasury Department participated in their development.

Payment of Internal Revenue Tax by Check or Money Order and Liability of Financial Institutions for Unpaid Taxes

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Final regulations.

SUMMARY: This document contains final regulations regarding payments with respect to internal revenue taxes and internal revenue stamps by check or money order. Changes to the applicable tax law were made by the Tax Reform Act of 1984 (TRA). The amendments, which are intended to conform the regulations to the change in the statute, apply to persons making payments with respect to internal revenue taxes or stamps by check or money order and to financial institutions that issue or guarantee payment of checks or money orders.

EFFECTIVE DATE: August 19, 1994.

FOR FURTHER INFORMATION CONTACT: Robert A. Walker, 202-622-3640 (not a toll-free call).

SUPPLEMENTARY INFORMATION:

Background

These final regulations contain changes to § 301.6311-1 to reflect amendments made to section 6311 by

section 448(a) of the Tax Reform Act of 1984, Pub. L. 98-369 (TRA). The IRS published a notice of proposed rulemaking in the **Federal Register** on August 22, 1994, (59 FR 43073) providing proposed rules under section 6311 of the Internal Revenue Code (Code). No public comments were received, and the final regulations are identical to the proposed regulations.

Explanation of Provisions

Section 6311(a) of the Code provides that the IRS may receive for internal revenue taxes, or in payment for internal revenue stamps, checks or money orders, to the extent and under the conditions specified in the regulations. The regulations relating to payment by check refer only to checks drawn on a domestic bank or trust company.

If money orders or certain kinds of checks tendered in payment are not duly paid, then section 6311(b)(2) provides the United States with a lien against all the assets of the drawee or issuer for the amount of the check or money order. Before its amendment, this rule applied, in the case of checks, only with respect to certified, treasurer's or cashier's checks drawn on a bank or trust company. Section 448(a) of TRA expanded section 6311(b)(2) to include guaranteed drafts drawn on financial institutions other than banks and trust companies.

The amendments to the regulations reflect the TRA change and clarify that payment may be made by check or draft drawn on any domestic financial institution. In addition, the regulations provide a definition of "financial institution." Since the Bureau of Alcohol, Tobacco, and Firearms has issued, under 27 CFR, its own separate regulations governing payment by check or money order, provisions of these regulations referring to the Bureau of Alcohol, Tobacco, and Firearms have been removed.

Special Analyses

It has been determined that this Treasury Decision is not a significant regulatory action as defined in EO 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) and the Regulatory Flexibility Act (5 U.S.C. chapter 6) do not apply to these regulations, and, therefore, a Regulatory Flexibility Analysis is not required. Pursuant to section 7805(f) of the Internal Revenue Code, the notice of proposed rulemaking was submitted to the Chief Counsel for Advocacy of the Small Business

Administration for comment on its impact on small business.

Drafting Information

The principal author of these final regulations is Robert A. Walker, Office of Assistant Chief Counsel (General Litigation). However, other personnel from the IRS and Treasury Department participated in their development.
