AGENCY: Department of Veterans Affairs.

ACTION: Notice.

Notice is hereby given that the Department of Veterans Affairs (VA) intends to conduct a recurring computer matching program matching Office of Personnel Management (OPM) benefit recipient records with VA pension and parents' dependency and indemnity compensation records.

The goal of this match is to compare income status as reported to VA with benefit records maintained by OPM.

The Department of Veterans Affairs (VA) plans to match records of veterans and surviving spouses and children who receive pension and parents who receive dependency and indemnity compensation (DIC) from VA with Office of Personnel Management benefit records maintained by OPM. The match with OPM will provide VA with data from OPM civil service benefit records. VA will use the data to update the master records of VA beneficiaries receiving income dependent benefits and to adjust VA benefit payments as prescribed by law. Otherwise,

information about a VA beneficiary's receipt of OPM benefits is obtained from reporting by the beneficiary. The proposed matching program will enable VA to ensure accurate reporting of income.

This notice is provided in accordance with the provisions of the Privacy Act of 1974 as amended by Public Law 100-503.

The match is estimated to start June 1, 1995, but will start no sooner than 40 days after publication of this notice in the Federal Register, or 40 days after copies of this Notice and the agreement of the parties is submitted to Congress and the Office of Management and Budget, whichever is later, and end not more than 18 months after the agreement is properly implemented by the parties. The involved agencies' Data Integrity Boards (DIB) may extend this match for 12 months provided the agencies certify to their DIBs, within three months of the ending date of the original match, that the matching program will be conducted without change and that the matching program has been conducted in compliance with the original matching program.
