

along with a copy of their presentation to Mr. Jerry Anderson, Principal Staff Liaison, Division of Vaccine Injury Compensation, Bureau of Health Professions, Health Resources and Services Administration, Room 8A-35, 5600 Fishers Lane, Rockville, MD 20852; Telephone (301) 443-6593. Requests should contain the name, address, telephone number, and any business or professional affiliation of the person desiring to make an oral presentation. Groups having similar interests are requested to combine their comments and present them through a single representative. The allocation of time may be adjusted to accommodate the level of expressed interest. The Division of Vaccine Injury Compensation will notify each presenter by mail or telephone of their assigned presentation time. Persons who do not file an advance request for presentation, but desire to make an oral statement, may sign up in Conference Room D on May 31 and June 1. These persons will be allocated time as time permits. Anyone requiring information regarding the Commission should contact Mr. Anderson, Division of Vaccine Injury Compensation, Bureau of Health Professions, Room 8A-35, 5600 Fishers Lane, Rockville, Maryland 20852; Telephone (301) 443-6593.

*Name:* National Advisory Committee on Rural Health

*Date and Time:* June 11-14, 1995; 1:00 p.m.

*Place:* The Sheraton Tara Hotel, 363 Maine Mall Road, South Portland, ME 04016, (207) 775-6161.

The meeting is open to the public.

*Purpose:* The Committee provides advice and recommendations to the Secretary with respect to the delivery, financing, research, development and administration of health care services in rural areas.

*Agenda:* The Plenary Session will begin on Sunday, June 11 with an update on legislation that affects rural health care delivery. This will be followed by a presentation on Rural Health Perspectives from the Department of Health and Human Services. Dr. Jo Ivey Boufford, Deputy Assistant Secretary for Health, has agreed to make this presentation. The Committee will devote the remainder of the plenary session to a discussion of managed care and network development in rural areas and to medicare's payment methodology for managed care risk contracts—the Adjusted Average Per Capita Costs (AAPCC) methodology.

The Committee will be making site visits to selected rural health delivery facilities all day on Monday. The meeting is open to the public; however, no transportation will be provided to the sites.

The Education and Health Services Work Group and the Health Care Finance Work Group will meet all day on Tuesday to continue developing recommendations and strategies for improving health services delivery in rural areas. The meeting will adjourn on Wednesday, June 14, at noon.

Anyone requiring information regarding the subject Committee should contact Dena S. Puskin, Executive Secretary, National Advisory Committee on Rural Health, Health Resources and Services Administration, Room 9-05, Parklawn Building, 5600 Fishers

Lane, Rockville, Maryland 20857, Telephone (301) 443-0835, FAX (301) 443-2803.

Persons interested in attending any portion of the meeting should contact Ms. Arlene Granderson, Office of Rural Health Policy, Health Resources and Services Administration, Telephone (301) 443-0835.

Agenda Items are subject to change as priorities dictate.

Dated: April 25, 1995.

Jackie E. Baum,

*Advisory Committee Management Officer, HRSA.*

## Public Health Service

### Agency Forms Undergoing Paperwork Reduction Act Review

Each Friday the Public Health Service (PHS) publishes a list of information collection requests under review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the PHS Reports Clearance Officer on 202-690-7100.

The following requests have been submitted for review since the list was last published on Friday, April 7.

1. Survey to Evaluate the Impact of the Coronary Primary Prevention Trial on Medical Practice: 1995-0925-0356 (Reinstatement with change)—The National Heart, Lung, and Blood Institute will sponsor a survey of practicing physicians to assess attitudes and behavior regarding blood cholesterol in order to evaluate the impact of the findings of the Coronary Primary Prevention Trial and the Adult Treatment Panel Guidelines on clinical practices and to discern continuing educational needs for physicians. Respondents: Business or other for-profit; Number of Respondents: 1,600; Number of Responses per Respondent: 1; Average Burden per Response: .501 hours; Estimated Annual Burden: 800 hours. Send comments to Shannah Koss, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

2. An Epidemiologic Study of the Relation Between Maternal and Parental Preconception Exposure to Ionizing Radiation and Childhood Leukemia—New—This study is designed to determine whether preconception gonadal doses from ionizing radiation are higher in the parents of children with leukemia than in parents of healthy children. The study is designed as a multicenter case-control study. Cases will be children with leukemia and controls will be children without leukemia selected at random from the

same population as the cases.

Respondents: Individuals or households; Number of Respondents: 911; Number of Responses per Respondent: 1; Average Burden per Response: 1.75 hours; Estimated Annual Burden: 1595 hours. Send comments to Shannah Koss, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

3. Confidentiality of Alcohol and Drug Abuse Patient Records—0930-0092 (Extension, no change)—States require Federally conducted, regulated, or directly or indirectly assisted alcohol and drug abuse programs to keep patient records confidential. Information requirements are (1) written disclosures to patients, and (2) documenting "medical personnel" status of receipt of a disclosure to meet a medical emergency. Respondents: Not-for-profit institutions, Federal Government, State, Local or Tribal Government; Number of Respondents: 10,000; Number of Responses Per Respondent: 348; Average Burden per Response: .0287 hour; Estimated Burden: 100,110 Hours. Send comments to James Scanlon, Office of the Assistant Secretary for Health, Room 737-F, Hubert H. Humphrey Building, 200 Independence Ave., SW., Washington, DC 20201.

4. Assessment of Demographic Information on Death Certificates Survey—New—Demographic characteristics of decedents collected on death certificates are a critical source of information for public health surveillance, analysis, and program planning. This information is used in the tracking and analysis of diseases and injuries occurring among different subgroups in the population, which is integral to the mission of CDC. The purpose of this survey is to ascertain the methods currently used by funeral directors. Respondents: Business or other for-profit, State, Local or Tribal Government; Number of Respondents: 100; Number of Responses Per Respondent: 1; Average Burden Per Response: 1 hour; Estimated Annual Burden: 100 hours. Send comments to Shannah Koss, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, DC 20503.

5. Application for the National Institutes of Health AIDS and Clinical Research Loan Repayment Programs—0925-0361 (Reinstatement with change)—The information collection will be used by the PHS to determine an applicant's eligibility for participation in the NIH AIDS and Clinical Research Loan Repayment Programs. Respondents: Individuals or household,

Business or other for-profit, Not-for-profit institutions, Federal Government, State, Local or Tribal Government. Send

comments to Shannah Koss, Human Resources and Housing Branch, New

Executive Building, Room 10235, Washington, DC 20503.

	No. of responses	No. of responses/ respondent	Avg. burden/ response
Applicant .....	70	1	11.58 hrs.—LRP. 12 hrs.—CLRP.
References .....	210	1	.5 hr.
State/Other Entity .....	10	1	.5 hr.
Lender .....	420	1	.33 hr.
Estimated Total Annual Burden: 1,073 hours.			

6. Breast Cancer Incidence in Occupational Cohorts Exposed to Ethylene Oxide and Polychlorinated Biphenyls—New—The primary purpose of this study is to collect information from women regarding incidence of breast cancer and critical factors (such

as family history and parity) that may increase the risk of breast cancer in an occupational cohort independent of chemical exposure. Resulting data will contribute to recommendations regarding the safe exposure to the specific chemicals of interest.

Respondents: Individuals or households, Business or other for-profit. Send comments to Shannah Koss, Human Resources and Housing Branch, New Executive Office Building, Room 10235, Washington, D.C. 20503.

	No. of respondents	No. of responses/ respondent	Avg. burden/re- sponse
Cohort Members .....	7,667	1	.5 hr.
Physicians .....	667	1	.5 hr.
Estimated Total Annual Burden: 4,167 hours.			

7. A Case-Control Study of Attempted Suicide, Harris County, Texas—0920–0300 (Reinstatement, no change)—The Centers for Disease Control proposes continuing a case-control study of the effects of three risk factors—exposure to another’s suicide or suicide attempt, migration, and patterns of alcohol use—on the occurrence of serious attempted suicide among young persons 12–34 years of age. Respondents: Individuals or households; Number of Respondents: 250; Number of Responses Per Respondent: 1; Average Burden Response: .75 hour; Estimated Annual Burden: 188 hours. Send comments to James Scanlon, Office of the Assistant Secretary for Health, Room 737–F, Hubert H. Humphrey Building, 200 Independence Ave., S.W., Washington, D.C. 20201.

Written comments and recommendations concerning the proposed information collections should be sent within 30 days of this notice directly to the individual designated.
