**SUMMARY:** By a Federal Register published March 14, 1995, (60 FR 13746) the Office of the U.S. Trade Representative (USTR) gave notice that the United States, along with the Governments of Canada and Mexico, expects to undertake negotiations with the Republic of Chile regarding its accession to (i.e., inclusion in) the NAFTA and that the Trade Policy Staff Committee (TPSC) invites public comments on the negotiations. A public hearing was held on April 25. USTR has

decided to extend the deadline for the submission of written comments from April 28 to May 12, 1995.

**SUPPLEMENTARY INFORMATION:****1. Public Comments and Testimony**

In the notice of March 14, 1995, the Chairman of the TPSC, in conformity with TPSC regulations (15 CFR part 2003), invited written comments of interested persons on the desirability and economic effects of Chilean accession to the NAFTA.

Comments were particularly invited on:

(a) Economic costs and benefits to U.S. producers and consumers of removal of all tariff barriers to trade between Chile and the United States and between and among Chile and the current NAFTA parties and, in the case of articles for which immediate elimination of tariffs is not appropriate, the appropriate staging schedule for such elimination.

(b) Existing nontariff barriers to trade in goods between Chile and the United States and between and among Chile and the current NAFTA parties and the economic costs and benefits to U.S. producers and consumers of removing those barriers.

(c) Existing barriers to trade in services between Chile and the United States and between and among Chile and the current NAFTA parties, and economic costs and benefits to U.S. services firms and consumers of removing such barriers.

(d) Existing restrictions on investment flows between Chile and the United States and between and among Chile and the current NAFTA parties, and the costs and benefits to U.S. investors and consumers of eliminating such restrictions.

(e) Any other measures, policies, or practices of the Government of Chile falling within the scope of the NAFTA that should be addressed in the negotiations.

In addition, comments were invited on the possible environmental effects of Chile's accession to the NAFTA, as well as the possible effects on basic workers' rights, working conditions, and living standards.

The March 14, 1995, notice also (1) identified the range of Chilean articles

(producers) for which U.S. tariffs and non-tariff measures may be reduced or eliminated as a result of the negotiations; (2) provided notice of a request by the United States Trade Representative to the International Trade Commission (Commission) for advice concerning the economic effects of Chilean accession; and (3) scheduled a public hearing for Tuesday, April 25, 1995.
