Bureau of Land Management

Proposed Land Exchange and Rights-of-Way for Eagle Mountain Non-Hazardous Municipal Solid Waste Landfill and Recycling Center

AGENCY: Bureau of Land Management, Department of the Interior, Palm Springs-South Coast Resource Area, Desert District, California.

ACTION: Notice of intent to prepare an environmental impact statement.

SUMMARY: In compliance with the National Environmental Policy Act (NEPA) of 1969 and 40 CFR 1508.22, notice is hereby given that the Bureau of Land Management (BLM) and the County of Riverside (County) will prepare a joint Federal Environmental Impact Statement/County Environmental Impact Report (EIS/EIR) for a proposed land exchange and rights-of-way with Kaiser Eagle Mountain, Inc. (Kaiser) for a proposed Class III non-hazardous, municipal solid waste landfill and recycling center at the Eagle Mountain mine site in Riverside County, California. The landfill would be operated by Mine Reclamation Corporation (MRC).

In the proposed land exchange, BLM would acquire from Kaiser approximately 2,846 acres of land that include areas containing important habitat for the desert tortoise (a federally listed threatened species) and habitat supporting the desert pupfish (a federally listed endangered species). The acquisition of these offered private lands would benefit BLM's biological, cultural, scenic, and resource management goals and programs.

BLM would transfer to Kaiser approximately 3,481 acres of public land, much of which is disturbed from past mining operations and is subject to unpatented mining and mill site claims currently held by Kaiser. Kaiser would lease this land together with other lands necessary for the landfill to MRC for use in developing and operating a Class III non-hazardous, municipal solid waste landfill and recycling center (Landfill).

Kaiser is also applying for the conversion of a legislatively approved railroad right-of-way (granted to Kaiser for rail and road access to the mine site for mining purposes) to a 26.8 mile right-of-way grant pursuant to the Federal Land Policy and Management Act (FLPMA) of 1976 for rail and road access to the site. Kaiser also is applying for a new 6.75 mile right-of-way
