

Authority: Executive Order 11651 of March 3, 1972, as amended; section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854).

The current limits for certain categories are being increased for carryover.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see **Federal Register** notice 59 FR 65531, published on December 20, 1994). Also see 60 FR 14931, published on March 21, 1995.

The letter to the Commissioner of Customs and the actions taken pursuant to it are not designed to implement all of the provisions of the bilateral agreement, but are designed to assist only in the implementation of certain of its provisions.

Rita D. Hayes,
Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

May 23, 1995.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on March 15, 1995, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton, wool and man-made fiber textile products, produced or manufactured in Guatemala and exported during the twelve-month period which began on January 1, 1995 and extends through December 31, 1995.

Effective on May 31, 1995, you are directed to increase the limits for the following categories, as provided under the provisions of the current bilateral agreement, as amended, between the Governments of the United States and Guatemala:

Category	Adjusted twelve-month limit ¹
340/640	1,122,129 dozen.
347/348	1,308,776 dozen.
351/651	252,969 dozen.
448	47,531 dozen.

¹ The limits have not been adjusted to account for any imports exported after December 31, 1994.

The guaranteed access levels remain unchanged.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception to the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,
Rita D. Hayes,
Chairman, Committee for the Implementation of Textile Agreements.

BILLING CODE 6351-01-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Homeless Assistance Act; Base Closure and Realignment

AGENCY: Department of Defense Economic Security.

ACTION: Notice.

SUMMARY: This notice provides points of contact and addresses for the Local Redevelopment Authorities (LRAs) for the closing and realigning bases listed below. They have elected to be covered under the "Base Closure Community Redevelopment and Homeless Assistance Act of 1994" (Homeless Assistance Act). All other closing or realigning installations will be screened in accordance with the "Stewart B. McKinney Homeless Assistance Act" (McKinney Act). Representatives of state and local governments and other parties interested in using base closure properties in this Notice for the needs of the homeless should contact the person or organization listed.

EFFECTIVE DATE: May 30, 1995.

FOR FURTHER INFORMATION CONTACT: Mr. Robert Hertzfeld, Office of the Assistant Secretary of Defense for Economic Security, Pentagon, Room 1D760, Washington, DC 20301-4000, (703) 695-1470.

SUPPLEMENTARY INFORMATION: The Homeless Assistance Act exempts military installations approved for closure or realignment after the date of enactment of the Homeless Assistance Act from compliance with section 501 of the McKinney Act. Further, the Homeless Assistance Act affords LRAs for installations approved for closure pursuant to earlier base closure rounds the opportunity to elect the new procedures for addressing homeless needs, rather than using the McKinney Act procedures. Whereas the McKinney Act gives priority use of underutilized, excess, or surplus Federal real property to homeless assistance providers independent of other reuse plans for property, the Homeless Assistance Act establishes procedures by which local homeless assistance needs are incorporated into the overall reuse plan for the closing installation. Under the new law, LRAs are responsible for developing a reuse plan that incorporates homeless assistance; the plan subsequently must be approved by the Department of Housing and Urban Development to ensure that the needs of the homeless are adequately considered.
