**DEPARTMENT OF THE INTERIOR**

**Bureau of Indian Affairs—Proposed Finding For Federal Acknowledgment of Huron Potawatomi, Inc.**

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of proposed finding.

**SUMMARY:** Pursuant to 25 CFR 83.10(h), notice is hereby given that the Assistant Secretary—Indian Affairs (Assistant Secretary) proposes to acknowledge that Huron Potawatomi, Inc., 2221 1 1/2 Mile Road, Fulton, Michigan 49052, exists as an Indian tribe within the meaning of Federal law. This notice is based on a determination that the tribe satisfies all of the criteria set forth in 25 CFR 83.7 as modified by 25 CFR 83.8, and, therefore, meets the requirements for a government-to-government relationship with the United States.

**DATES:** As provided by 25 CFR 83.10(i), any individual or organization wishing to challenge the proposed finding may submit arguments and evidence to support or rebut the evidence relied upon. This material must be submitted within 180 calendar days from the date of publication of this notice. As stated in the regulations, 25 CFR 83.10(i), interested and informed parties who submit arguments and evidence to the Assistant Secretary must also provide copies of their submissions to the petitioner.

**ADDRESSES:** Comments on the proposed finding and/or request for a copy of the report of evidence should be addressed to the Office of the Assistant Secretary, 1849 C Street, NW., Washington, DC 20240, Attention: Branch of Acknowledgment and Research. Mailstop 2611-MIB.

**FOR FURTHER INFORMATION CONTACT:** Holly Reckord, Chief, Branch of

Acknowledgment and Research, (202) 208-3592.  
**SUPPLEMENTARY INFORMATION:** This notice is published in the exercise of authority delegated by the Secretary of the Interior to the Assistant Secretary by 209 DM 8.

The petitioner, also known as the Nottawaseppi Huron Potawatomi Band, consists of descendants of the historical Potawatomi tribe of Michigan. Its members are descendants specifically of the Potawatomi of Huron, a band which signed treaties with the Federal Government from the Treaty of Greenville in 1795 through the Articles Supplementary to the Treaty of Chicago in 1833. After the War of 1812, this group moved from the Detroit area to the Nottawaseppi Reserve, established by the Federal treaty of 1821, in southwestern Michigan. Because of these treaties, the petitioner meets the requirements of § 83.8 as having unambiguous previous Federal acknowledgment and has been considered under the modifications of § 83.7 that are prescribed by § 83.8. The date of the last treaty, 1833, has been used as the date of latest Federal acknowledgment for purposes of this finding to enable the petitioner to proceed under the provisions of § 83.8. Because the petitioner had already completed documentation of the petition before the present regulations became effective, it was not necessary to determine if there was a later date of unambiguous Federal acknowledgment.

Between 1833 and 1840, the petitioner's ancestors continued to reside on the Nottawaseppi Reserve. In 1840, the ancestors of the petitioner either avoided attempts of the Federal Government to remove the Potawatomi to Kansas or returned to Michigan within a few years after removal. The community was reestablished by 1842. Huron Potawatomi, Inc. is centered at the Pine Creek Indian Reservation in Calhoun County, Michigan. This 120-acre tract of land was purchased by the founders of the community in 1845 with Federal annuity monies and placed in trust with the State of Michigan, in which status it has remained until the present day. During the second half of the 19th century, the original population was augmented by the

migration into the settlement of a few additional Michigan Potawatomi families, which was in accordance with the traditionally permeable boundaries of Potawatomi villages.

From the date of its reestablishment (1842) until the present, the petitioner's community has consistently been identified as a settlement of Michigan Potawatomi in Federal, state, and local documents, which include Federal census records, Bureau of Indian Affairs census records and annuity rolls, county realty records and vital records, Methodist Indian mission records, and local histories. No ethnicity for the community other than Potawatomi has been suggested by any scholar or observer. The identification is as the same tribal entity that was previously acknowledged or as a portion that has evolved from that entity. Therefore, we conclude that the petitioner meets criterion 83.7(a) as modified by criterion 83.8(d).

The petitioner presented evidence that it maintained usage of the Potawatomi language and had a level of in-group or culturally appropriate patterned out-group marriages to other Michigan Indians of over 50 percent of total marriages from 1842 through 1960. At least through 1934, the petitioner had over 50 percent of the group's population resident at or near the Pine Creek site, thus meeting the requirements of criterion 83.7(b), for community up to 1960 under the provisions of § 83.7(b)(2).

Although since the Depression, to the present, younger members of the group have moved off the reservation site in search of housing and employment, there emerged a defined pattern of migration to specific locations in Michigan. Evidence indicates that the emigrants not only maintain close social and kinship ties with the central Pine Creek settlement area, but also maintain close social and kinship ties among the five external settlement areas. Thus, we conclude that the petitioner meets criterion 83.7(b) as modified by section 83.8(d), which requires a showing that the group constitutes a distinct, cohesive community at present.

Because the Huron Potawatomi meet the requirements of the community criterion 83.7(b) between 1833 and 1934
