

transportation service to an existing customer, under its blanket certificate issued in Docket No. CP83-76-000,¹ all as more fully set forth in the request for authorization on file with the Commission and open for public inspection.

Columbia requests authorization to establish a new point of delivery to Waterville Gas & Oil Company (WGO). Columbia will construct and operate a new delivery point for firm transportation service and will provide the service pursuant to Columbia's

Blanket Certificate issued in Docket No. CP86-240-000 of the Commission's Regulations² under existing authorized rate schedules and within certificated entitlement, as follows:

Customer	Maximum daily quantity (Dth)	Estimated annual quantity (Dth)	Estimated construction cost (\$)
WGO	250	40,000	28,000

The new point of delivery has been requested by WGO for firm transportation service for residential use. The quantities to be provided through the new delivery point are within Columbia's currently authorized level of service. The new point of delivery will be added to WGO's existing service agreement. WGO has not requested an increase in its Peak Day Entitlement in conjunction with this request for a new point of delivery. WGO has agreed to reimburse Columbia for the actual cost of the interconnection, plus any gross-up required for tax purposes.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

Duke Power Company; Notice of Filing

June 27, 1995.

Take notice that on June 9, 1995, Duke Power Company (Duke) filed an amendment to its application in the above referenced dockets in response to

the May 10 1995, letter from Commission Staff requesting that Duke provide additional information in support of its filing.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before July 11, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

requirements at 40 CFR part 268 that affect generators and treatment, storage, and disposal facilities (TSDFs) regulated under the Resource Conservation and Recovery Act (RCRA) of 1976, as amended by the Hazardous and Solid Waste Amendments (HSWA) of 1984. Information collection requirements include preparing information and reporting to the EPA data on waste analysis, notifications and certifications, as well as recordkeeping requirements. Where it applies, respondents must also provide data required to petition the Agency for statutory variances and for exemptions. The EPA uses these data to ensure the proper land disposal of hazardous wastes.

Burden Statement: The estimated average public reporting burden for this collection ranges from 4 hours to 20 hours per response. This estimate includes all aspects of the information collection including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Respondents: Generators and treatment, storage and disposal facilities.

Estimated Number of Respondents: 224,886.

Estimated Number of Responses per Respondent: Varies.

Estimated Total Annual Burden on Respondents: 3,513,342 hours.

Frequency of Collection: On occasion.

Send comments regarding the burden estimate, or any other aspect of this collection of information, including suggestions for reducing the burden, (please refer to EPA ICR #1442.09 and OMB #2050-0085) to:
