SUMMARY: The Department of Commerce (the Department) is notifying the public of its intent to revoke the countervailing duty order listed below. Domestic interested parties who object to revocation of this order must submit their comments in writing not later than the last day of August 1995.

EFFECTIVE DATE: August 1, 1995.

SUPPLEMENTARY INFORMATION:

Background

The Department may revoke a countervailing duty order if the Secretary of Commerce concludes that it is no longer of interest to interested parties. Accordingly, as required by the Department's regulations (at 19 CFR 355.25(d)(4)), we are notifying the public of our intent to revoke the countervailing duty order listed below, for which the Department has not received a request to conduct an administrative review for the most recent four consecutive annual anniversary months.

In accordance with § 355.25(d)(4)(iii) of the Department's regulations, if no domestic interested party (as defined in §§ 355.2 (i)(3), (i)(4), (i)(5), and (i)(6) of the regulations) objects to the Department's intent to revoke this order pursuant to this notice, and no interested party (as defined in § 355.2(i) of the regulations) requests an administrative review in accordance with the Department's notice of opportunity to request administrative review, we shall conclude that the countervailing duty order is no longer of interest to interested parties and proceed with the revocation effective January 1, 1995. However, if an interested party does request an administrative review in accordance with the Department's notice of opportunity to request administrative review, or a domestic interested party does object to the Department's intent to revoke pursuant to this notice, the Department will not revoke the order pursuant to § 355.25(d)(4).

The order listed below is also subject to section 753 of the Act; however, any revocation pursuant to section 753 would be effective March 3, 1995, the date Zimbabwe acceded to the World

Trade Organization. As such, the requirements of section 753 do not affect the procedures for revocation under § 355.25(d)(4) of the regulations since the effective date of any revocation under the regulations would be January 1, 1995.

Inseason Action

1995 Halibut Landing Report Number 9

Area 2A Non-treaty Commercial Fishery
 to Reopen

The July 5 fishing period in Area 2A
 resulted in a catch of 9.07 metric tons
 (mt) (20,000 lb), leaving 32.22 mt
 (71,052 lb) in the commercial catch
 limit. Although 350 commercial licenses
 were issued in Area 2A, very few
 vessels participated in the July 5th
 opening, resulting in a low catch. The
 total catch limit remaining, including
 the "rolled-over" amount from the
 salmon troll fishery, is 387.89 mt
 (85,157 lb).

Area 2A will reopen on July 18 for 10
 hours from 8:00 a.m. to 6:00 p.m. local
 time. The fishery is restricted to waters
 that are south of Point Chehalis, WA
 (46°53'18" N. lat.) under regulations
 promulgated by NMFS. Fishing period
 limits as indicated in the following table
 will be in effect for this opening.

Vessel class		Fishing period limit (lb)	
Length	Letter	Dressed, head-on	Dressed, head-off*
0-25	A	225	200
26-30	B	240	210
31-35	C	380	335
36-40	D	1,050	925
41-45	E	1,130	995
46-50	F	1,350	1,190
51-55	G	1,510	1,330
56+	H	2,275	2,000

*Weights are after 2 percent has been de-
 ducted for ice and slime if fish are not washed
 prior to weighing.

The appropriate vessel length class
 and letter is printed on each halibut
 license.

The fishing period limit is shown in
 terms of dressed, head-off weight as
 well as dressed, head-on weight,
 although fishermen are reminded that
 regulations require that all halibut from
 Area 2A be landed with the head on.

The fishing period limit applies to the
 vessel, not the individual fisherman,
 and any landings over the vessel limit
 will be subject to forfeiture and fine.

Dated: July 26, 1995.

 Conservation and Management, National
 Marine Fisheries Service.*
