AGENCY FOR INTERNATIONAL DEVELOPMENT

Loan Guarantees to Israel; Notice of Investment Opportunity

The Government of Israel (the "GOI") wishes to select a lead managing underwriter for the structuring and sale of U.S. Agency for International Development ("USAID")-guaranteed loans. The USAID-guaranteed loans have been authorized by Public Law 102-391, and are being provided in connection with Israel's extraordinary humanitarian effort to resettle and absorb immigrants into Israel from the republics of the former Soviet Union, Ethiopia and other countries.

The legislation authorizes the guaranty by USAID of up to \$10 billion principal amount of loans over a five-year period, with a maximum of \$2 billion in loans, offered in one or more tranches, to be guaranteed in each of the five fiscal years. This Notice is in connection with the GOI's selection of managing underwriters for an offering contemplated to be made under the authorization for the current fiscal year.

The lead managing underwriter for the proposed transaction will be

selected through a competitive bid on the expected pricing date. In order to pre-qualify for participation in the competitive sale, potential bidders must demonstrate the requisite financial and technical capabilities by their responses to a Request for Proposals ("RFP"), which will be available from the GOI on or about July 28, 1995. Proposals must be submitted, in accordance with the RFP, by 5:00 p.m. on August 7, 1995. For information regarding the submission of proposals, please contact Mr. Eliahu Ziv-Zitouk, Chief Fiscal Officer, Ministry of Finance of the Government of Israel, 800 Second Avenue, New York, N.Y. 10017 (fax: 212/499-5715).

The GOI reserves the right to limit the number of firms that are eligible to submit bids to underwrite the proposed transaction, and to reject any or all bids. In order to be eligible for selection as a managing underwriter, an institution must be a member of the National Association of Securities Dealers, and otherwise meet the legal requirements for serving such role. All firms are encouraged to seek to prequalify, regardless of ethnic origin, race or gender.

The full repayment of the loans will be guaranteed by USAID. To be eligible for an USAID guaranty, the loans must be repayable in full no later than the thirtieth anniversary of the disbursement of the principal amount thereof. The USAID guaranty will be backed by the full faith and credit of the United States of America and will be issued pursuant to authority in Section 226 of the Foreign Assistance Act of 1961, as amended. Disbursements under the loans will be subject to certain conditions required of the GOI by USAID as set for in agreements between USAID and the GOI.

Additional information regarding USAID's responsibilities in this guaranty program can be obtained from the undersigned: Room 225, SA-2, 515 22nd Street NW., Washington, DC 20523-0235, Telephone: 202/663-2773.

Dated: July 27, 1995.

Michael G. Kitay,

Assistant General Counsel, Agency for International Development.

DEPARTMENT OF COMMERCE

International Trade Administration

[A-588-815]

Amended Final Determination of Sales at Less Than Fair Value and Antidumping Order: Gray Portland Cement and Clinker From Japan

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The appeal period for the court decision in *Nihon Cement Co., Ltd. et al. v. United States*, Slip Op. 95-53 has expired. Accordingly, given that the decision was not appealed, the Department is amending its final determination of sales at less than fair value and order in the antidumping duty investigation of Gray Portland Cement and Clinker from Japan (Cement from Japan) in accordance with that decision.

EFFECTIVE DATE: August 1, 1995.

FOR FURTHER INFORMATION CONTACT: Michelle Frederick or John Brinkmann, Office of Antidumping Investigations, International Trade Administration, U.S. Department of Commerce, Washington, D.C., 20230; telephone (202) 482-0186 or 482-5288, respectively.

BACKGROUND: On March 28, 1995, in the case of *Nihon Cement Co., Ltd. et al. v. United States*, Slip Op. 95-53 (*Nihon*), the United States Court of International

Trade (CIT) affirmed the Department's redetermination on remand of the investigation of sales at less than fair value of Cement from Japan (56 FR 12156, March 22, 1991, as amended by 56 FR 21658, May 10, 1991). In that redetermination, the Department recalculated the deposit rates of Onoda Cement Co. (Onoda), Nihon Cement Co., Ltd. (Nihon), and the "All Others" rate. On May 10, 1995, the Department published notice of the court decision and the new rates (60 FR 24832, May 10, 1995). In that notice the Department stated that it must continue to suspend liquidation until a "conclusive" decision in this action is reached. Because none of the parties appealed the CIT's decision and the opportunity to appeal has expired, the Department is amending the rates calculated in the final determination and order. The new rates are: 70.52 for Onoda; 69.89 for Nihon; and 70.23 for "All Others". We will instruct Customs to continue to suspend liquidation, and collect cash deposits, at the new rates for Nihon and "All Others". The effective cash deposit rate for Onoda has been determined by a subsequent administrative review, and is therefore not affected by the recalculation of these rates.

Dated: July 25, 1995.

Paul L. Joffe,

Deputy Assistant Secretary for Import Administration.
