PENSION BENEFIT GUARANTY CORPORATION

29 CFR Parts 2606 and 2609

RIN 1212-AA72

Debt Collection Procedures—Tax Refund Offset

AGENCY: Pension Benefit Guaranty Corporation.
ACTION: Final rule.

SUMMARY: The Pension Benefit Guaranty Corporation is adopting, as a final rule with change, amendments that it previously issued as an interim final rule. The procedures in this rule enable the PBGC to refer past-due, legally enforceable debts to the internal Revenue Service to be offset against federal tax refunds.

EFFECTIVE DATE: This rule is effective August 4, 1995.

FOR FURTHER INFORMATION CONTACT: Catherine B. Klion, Attorney, Office of the General Counsel, Pension Benefit Guaranty Corporation, 1200 K Street, NW., Washington, DC 20005-4026, 202-326-4024 (202-326-4179 for TTY and TDD).

SUPPLEMENTARY INFORMATION: On December 6, 1994 (59 FR 62571), the Pension Benefit Guaranty Corporation published an interim final rule that amended its administrative review and debt collection regulations (29 CFR parts 2606 and 2609). As amended, the PBGC's regulations include the procedures required for participation in the federal tax refund offset program authorized by 31 U.S.C. 3720A. Section 3720A, and Internal Revenue Service regulations thereunder (26 CFR 301.6402-6), include requirements to

ensure that debts referred for offset against amounts otherwise payable as tax refunds are past-due and legally enforceable and that the agency has made reasonable efforts (pursuant to regulations) to obtain payment.

The one comment on the interim final rule expressed concern about its effects on due process of law requirements under the Fifth Amendment to the United States Constitution. The PBGC believes that the commenter's concern is unwarranted. As noted above, the pre-referral procedures required by IRS regulations, which are included in the interim final rule, provide due process protections. Among other things, before the PBGC refers a debt for tax refund offset, the debtor has at least 60 days to present evidence that all or part of the debt is not past-due or not legally enforceable (§ 2609.33(b)(2)).

This final rule makes no changes in the rules of agency organization and procedure that were prescribed by the interim final rule and have been in effect since January 5, 1995. Therefore, the Administrative Procedure Act does not require further notice and public procedure or a delayed effective date, and the PBGC for good cause finds that both such actions are unnecessary (5 U.S.C. 553 (b) and (d)).

E.O. 12866

The PBGC previously determined that the interim final rule was not a "significant regulatory action" under the criteria set forth in Executive Order 12866.
