SUPPLEMENTARY INFORMATION:

I. Background

The Administration on Children, Youth and Families published a final rule on December 22, 1993 (58 FR 67912) that implements the requirements of section 479 of the Social Security Act. This section requires the Secretary to publish regulations that implement a system for the collection of adoption and foster care data in the United States. All States that administer State plans under titles IV-B and IV-E of the Society Security Act are subject to this regulation.

II. General

This regulation, 45 CFR part 1355, generally known as the Adoption and Foster Care Analysis and Reporting System (AFCARS), is designed to collect uniform, reliable information on children who are under the responsibility of the State title IV-B/IV-E agency for placement and care. The collection of adoption and foster care data is mandated by section 479 of the Social Security Act. In order to adequately meet the intent of the law and the requirements of this regulation, the States' data collection systems for AFCARS must be computerized.
