#### SUPPLEMENTARY INFORMATION:

##### I. Background

Under section 1115 of the Social Security Act (the Act), the Department of Health and Human Services (HHS) may consider and approve research and demonstration proposals with a broad range of policy objectives. These demonstrations can lead to improvements in achieving the purposes of the Act.

In exercising her discretionary authority, the Secretary has developed a

number of policies and procedures for reviewing proposals. On September 27, 1994, we published a notice in the **Federal Register** (59 FR 49249) that specified (1) the principles that we ordinarily will consider when approving or disapproving demonstration projects under the authority in section 1115(a) of the Act; (2) the procedures we expect States to use in involving the public in the development of proposed demonstration projects under section 1115; and (3) the procedures we ordinarily will follow in reviewing demonstration proposals. We are committed to a thorough and expeditious review of State requests to conduct such demonstrations.

## Office of Community Services

### Potential Reallotment of Funds for FY 1994 Low Income Home Energy Assistance Program (LIHEAP)

**AGENCY:** Office of Community Services, Administration for Children and Families, (ACF), DHHS.

**ACTION:** Preliminary Determination Concerning Funds Available for Reallotment.

**SUMMARY:** Notice is hereby given that a preliminary determination has been made that FY 1994 Low Income Home Energy Assistance Program (LIHEAP) funds are available for reallotment. Section 2607(b)(1) of the Omnibus Budget Reconciliation Act of 1981 (42 U.S.C. 8261 et seq.), as amended, requires that if the Secretary of the Department of Health and Human Services determines that, as of September 1 of any fiscal year, an amount allotted to a grantee for any fiscal year will not be used by that grantee during the fiscal year, the Secretary must notify the grantee and publish a notice in the **Federal Register** that such funds may be reallotted. It has been determined that a total of \$81,829 of FY 1994 funds may be available for reallotment. This determination is based on reports from the State of Alaska and the Seldovia Village Tribe (Alaska) which were submitted to the Office of Community Services as required by 45 CFR 96.81.

The statute allows grantees who have funds unobligated at the end of a fiscal year to request that they be allowed to carry over up to 10 percent of their allotments to the next fiscal year. Funds in excess of this amount must be returned to HHS and are subject to reallotment to other grantees under section 2607(b)(1) of the LIHEAP statute. All of the amounts described in this notice were reported as unobligated FY 1994 funds in excess of the amount that the State and tribe named above could carry over to FY 1995.

The State of Alaska was notified by certified mail that \$80,766 of its FY 1994 LIHEAP funds may be reallotted. The Seldovia Village Tribe was notified by certified mail that \$1,063 of its FY 1994 LIHEAP funds may be reallotted. In accordance with section 2607(b)(3), the Chief Executive Officers of the State and tribe have 30 days from the date of the letters to submit comments to: Donald Sykes, Director, Office of Community Services, 370 L'Enfant Promenade, S.W., Washington, D.C. 20447.

That 30 day period will expire on September 8, 1995. After considering any comments submitted, the Chief Executive Officer will be notified of the decision, and the decision will also be published in the **Federal Register**. If funds are reallotted, they will be allocated in accordance with section 2604 and must be treated by LIHEAP grantees receiving them as an amount appropriated for FY 1995. As FY 1994 funds, they will be subject to all of the requirements of the LIHEAP statute, including Section 2607(b)(2), which requires that a grantee must obligate at least 90% of its total block grant allocation for a fiscal year by the end of the fiscal year for which the funds are appropriated, that is, by September 30, 1995 for these funds.
