Bureau of Export Administration

[Docket No. 5118-01]

Realtek Semi-Conductor Co. Ltd., 6F, No. 4 Fu-Shon Street, Taipei, Taiwan, Respondent; Decision and Order of Default

On July 12, 1995, the Administrative Law Judge (ALJ) issued a Recommended Decision and Default Order in the above-captioned matter. The Recommended Decision and Default Order, a copy of which is attached hereto and made a part hereof, has been referred to me for final action. After describing the facts of the case and his findings based on those facts, the ALJ found that Realtek Semi-Conductor Co. Ltd. committed one violation of section 787.2 of the Regulations (EAR) by causing, aiding, or abetting the export in 1990 of U.S.-origin Trident TVGA 8800 and TVGA 8900 graphic chip technology from the United States to Taiwan without the written letter of assurance required by Section 779.4 of the Regulations.

The ALJ found that the appropriate penalty for the violations should be that the Respondent and all successors, assignees, officers, representatives, agents and employees be denied for a period of five years from this date all privileges of participating, directly or indirectly, in any manner or capacity, in any transaction in the United States or abroad involving commodities or technical data exported or to be exported from the United States and subject to the Export Administration Regulations.

Based on my review of the entire record, I affirm the Recommended Decision and Default Order of the Administrative Law Judge.

This constitutes final agency action in this matter.
