August 4, 1995.

AGENCY: Committee for the Implementation of Textile Agreements (CITA).

ACTION: Issuing a directive to the Commissioner of Customs charging illegal transshipments to a 1995 limit.

EFFECTIVE DATE: August 11, 1995.

FOR FURTHER INFORMATION CONTACT: Anne Novak, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-4212.

SUPPLEMENTARY INFORMATION:

Authority: Executive Order 11651 of March 3, 1972, as amended; section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854).

Based on investigations conducted by the Government of the United States, CITA has determined that cotton sheets

in Category 361 were transshipped in circumvention of the Uruguay Round Agreements Act and the Uruguay Round Agreement on Textiles and Clothing.

The United States Government requested consultations in writing with the Government of Pakistan on February 7, 1995. The U.S. Government and the Government of Pakistan met on March 28 and 29, 1995 and July 11 and 12, 1995, in Washington to discuss the charges. The U.S. Government provided the Government of Pakistan with sufficient evidence of transshipment during these meetings. The U.S. Government informed the Government of Pakistan of the charges to be made to the 1995 quota for Category 361. Accordingly, since a mutually satisfactory agreement was not reached, in the letter published below the Chairman of CITA directs the Commissioner of Customs to charge 691,082 numbers to the 1995 quota level for Category 361.

U.S. Customs continues to conduct other investigations of such transshipments of textiles produced in Pakistan and exported to the United States. The charges resulting from these investigations will be published in the **Federal Register**.

The U.S. Government is taking this action pursuant to the Uruguay Round Agreements Act and the Uruguay Round Agreement on Textiles and Clothing.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see **Federal Register** notice 59 FR 65531, published on December 20, 1994). AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of availability of the terms and conditions of a proposed commodity option contract and amendments to the underlying futures contract.

SUMMARY: The Chicago Mercantile Exchange (CME or Exchange) has applied for designation as a contract market in options on its federal funds rate futures contract. In addition, the CME proposes to amend the dormant federal funds rate futures contract that would underlie the proposed contract, and it has filed a request to list federal funds rate futures and option contracts for trading through GLOBEX. The Director of the Division of Economic Analysis (Division) of the Commission, acting pursuant to the authority delegated by Commission Regulation 140.96, has determined that publication of the proposals for comment is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purposes of the Commodity Exchange Act.

DATES: Comments must be received on or before September 11, 1995.

ADDRESSES: Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, 2033 K Street NW, Washington, DC 20581. Reference should be made to the CME federal funds rate futures option contract and the request to reactivate trading in the federal funds rate futures contract.

FOR FURTHER INFORMATION CONTACT: Please contact Stephen Sherrrod of the Division of Economic Analysis, Commodity Futures Trading Commission, 2033 K Street NW, Washington, DC 20581, telephone 202-254-7303.

SUPPLEMENTARY INFORMATION: Regarding the dormant federal funds rate futures contract, the CME proposes to revise the trading unit to represent interest paid on a \$3 million, rather than a \$5 million, 30-day borrowing of overnight Federal funds. This proposal would lower the value of a basis point change to \$25 from \$41.67. The Exchange also proposes to reduce the minimum price fluctuation to .005 from .01 and to establish price limits for trading during the GLOBEX session.

Copies of the terms and conditions will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, 2033 K Street, N.W., Washington, D.C. 20581.
