## DEPARTMENT OF ENERGY

### Federal Energy Regulatory Commission

[Docket No. CP95-652-000]

#### Eastern Shore Natural Gas Company; Notice of Request Under Blanket Authorization

August 9, 1995.

Take notice that on July 31, 1995, Eastern Shore Natural Gas Company (Eastern Shore), P.O. Box 1769, Dover, Delaware 19903, filed in Docket No. CP95-652-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211) for authorization to construct and operate new delivery point facilities for service to Delaware Division of Chesapeake Utilities Corporation (Delaware Division), an existing customer, in New Castle County, Delaware, under Eastern Shore's blanket certificate issued in Docket No. CP83-40-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Eastern Shore proposes to install a meter and appurtenant equipment and approximately 200 feet of 4-inch service line to comprise the Armstrong Corner delivery point. It is stated that Eastern Shore would use the delivery point for the delivery on a firm basis of approximately 1,084 Mcf of gas on a peak day to Delaware Division and approximately 127,730 Mcf on an annual basis. It is further stated that the volumes to be delivered would not exceed Delaware Division's currently authorized firm entitlement from Eastern Shore. It is explained that the construction cost would be paid by Delaware Division. Eastern Shore states that construction of the delivery point would not affect its peak day or annual deliveries to other firm customers. It is asserted that Eastern Shore's tariff does not prohibit the addition of delivery points on behalf of existing customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a

protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

**Linwood A. Watson, Jr.,**

*Acting Secretary.*

BILLING CODE 6717-01-M

[Docket No. CP95-655-000]

#### Northwest Pipeline Corporation; Notice of Request Under Blanket Authorization

August 9, 1995.

Take notice that on August 1, 1995, Northwest Pipeline Corporation (Northwest), 295 Chipeta Way, Salt Lake City, Utah 84108, filed a request with the Commission in Docket No. CP95-655-000 pursuant to Sections 157.205, 157.211 and 157.216(b) of the Commission's Regulations under the Natural Gas Act (NGA) for permission to, authorized in blanket certificate issued in Docket No. CP82-433-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

Northwest proposes to remove and retire two existing 8-inch regulators and appurtenances at the North Seattle Meter Station (Meter Station) in Smohomish County, Washington, at the request of Washington Natural Gas Company (Washington Natural). Northwest further proposes to construct and operate appurtenant replacement facilities at the Meter Station which would accommodate a higher delivery pressure and additional delivery capacity. Northwest states that the removal of the regulators will change the design capacity of the Meter Station from 117,500 Dth per day at the 260 psig to approximately 165,000 Dth per day at a minimum of 500 psig, with higher capacities and pressures. The estimated cost of the proposed facility upgrade would be approximately \$75,646 which would be reimbursed by Washington Natural.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed
