National Park Service

California National Historic Trail/Pony Express National Historic Trail General Management Plan/Environmental Impact Statement, California and Pony Express National Historic Trails, Iowa, Nebraska, Missouri, Kansas, Colorado, Wyoming, Utah, Nevada, California, Oregon

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of intent to prepare an environmental impact statement for the California and Pony Express National Historic Trails General Management Plan/Environmental Impact Statements, California and Pony Express National Historic Trails.

SUMMARY: Under the provisions of the National Environmental Policy Act, the National Park Service is preparing an environmental impact statement for the California and Pony Express National Historic Trails General Management Plan/ Environmental Impact Statement for California and Pony Express National Historic Trails.

The effort will result in a comprehensive general management plan that encompasses preservation of natural and cultural resources, visitor use and interpretation, roads, and facilities. In cooperation with the U.S. Fish and Wildlife Service, U.S.D.A. Forest Service, Bureau of Land Management, and the sovereign Native American Tribes with lands adjacent to the trails, attention will also be given to resources adjacent to the trails that affect the integrity of the California and Pony Express National Historic Trails. Alternatives to be considered include no-action and a range of alternatives from which the preferred alternative will be selected.

Major issues include cooperative agreements with land management agencies and private land owners for visitor use and trail preservation; identification of historic sites and trail segments; development of a consistent management strategy for the trails, which can be easily implemented by land owners and land management agencies.

A scoping brochure has been prepared that details the issues identified to date. Copies of that information can be obtained from the Denver Service Center

(TCE), Attn: Patrick O'Brien, P.O. Box 25287, Denver, Colorado 80225-0287; (303) 969-2458.
