temporarily impound a total of 894,000 acre-foot of water near Auburn, constructing 24 miles of seepage cutoff in the levees along the lower American River, and raising and stabilizing 12 miles of Sacramento River levees in Natomas. About 1,533 acres of vegetation would be lost due to

construction and operation of this plan. This DSEIS/SDEIR has been prepared to fulfill the requirements of the National Environmental Policy Act and the California Environmental Quality Act. The overall analysis considered an array of alternative plans developed to meet the primary planning objective of improving flood protection for the City of Sacramento while avoiding or minimizing adverse environmental and related impacts to the maximum extent practicable. This document does not recommend a plan. The State and SAFCA will identify their Recommended Plan following receipt of

comments on this document. **PUBLIC HEARINGS:** The following public hearings have been scheduled to receive comment and testimony on the DSEIS/ SDEIR.

DEPARTMENT OF ENERGY

Office of General Counsel

Final Consent Order With Occidental Petroleum Corporation

AGENCY: Department of Energy. **ACTION:** Final action on proposed consent order.

SUMMARY: The Department of Energy (DOE) has determined that a proposed Consent Order between the DOE and Occidental Petroleum Corporation, including its wholly owned subsidiary OXY USA Inc. which was formerly Cities Service Oil and Gas Corporation, successor in interest to Cities Service Company (collectively, Occidental). shall be made a final order of the DOE as proposed. The Consent Order resolves matters relating to Occidental's compliance with the federal petroleum price and allocation regulations administered and enforced by DOE during the period October 1, 1979 through January 27, 1981. The Consent Order requires Occidental to pay \$100,000,000 to the DOE within thirty (30) days of the effective date of the Consent Order, and five annual payments of \$35,000,000 plus interest on the installment balances of 7.6% per annum. Persons claiming to have been harmed by Occidental's overcharges will be able to present their claims for refunds in an administrative claims proceeding before the Office of Hearings and Appeals (OHA). The decision to make the Occidental Consent Order final was made after a full review of written comments from the public.
