

1995, to the Government's motion. Respondent failed to file a response. On March 2, 1995, Judge Tenney issued his conclusions of law and recommended ruling, granting the Government's motion for summary disposition and recommending revocation of Respondent's DEA Certificate of Registration. No exceptions were filed and, on April 11, 1995, Judge Tenney transmitted the record of these proceedings to the Deputy Administrator. The Deputy Administrator, having considered the record in its entirety, hereby enters his final order in this matter pursuant to 21 CFR 1316.67.

The Deputy Administrator finds that on June 10, 1993, the Virginia Board of Medicine ("Board") revoked Respondent's license to practice medicine. The Board found, *inter alia*, that Respondent engaged in a sexual relationship with a patient and prescribed controlled substances to that patient. The Board further found that Respondent improperly and with the intent to evade established insurance reimbursement policies submitted, or caused to be submitted, claims to the patient's insurance carrier requesting reimbursement for psychotherapy services on dates when he had not met with the patient.

The Deputy Administrator further finds that the affidavit submitted on behalf of the Virginia Board of Pharmacy provided that Respondent's state controlled substance registrations expired on June 30, 1987 and June 30, 1994. The affidavit further provided that as of February 6, 1995, Respondent was not authorized to prescribe, distribute or manufacture Schedule I through V drugs in the Commonwealth of Virginia.

The DEA does not have the statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without state authority to handle controlled substances. See 21 U.S.C. 802(21), 21 U.S.C. 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See *Lawson A. Akpulonu, M.D.*, 60 FR 33434 (1995); *Robert C. Davis, M.D.*, 59 FR 66049 (1994); *Elliott F. Monroe, M.D.*, 57 FR 23246 (1992); *Bobby Watts, M.D.*, 53 FR 11919 (1988); *Avner Kauffman, M.D.*, 50 FR 34208 (1985).

The Deputy Administrator finds that Respondent is not currently licensed to practice medicine or authorized to handle controlled substances in the Commonwealth of Virginia. Therefore, his DEA registration must be revoked.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the

authority vested in him by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration AD7453537, previously issued to Anthony E. Doss, M.D., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for the renewal of such registration, be, and they hereby are, denied. This order is effective September 25, 1995.

Dated: August 18, 1995.

Stephen H. Greene,

Deputy Administrator.

BILLING CODE 4410-09-M

DEPARTMENT OF LABOR

Employment Standards Administration Wage and Hour Division; Minimum Wages for Federal and Federally Assisted Construction; General Wage Determination Decisions

General wage determination decisions of the Secretary of Labor are issued in accordance with applicable law and are based on the information obtained by the Department of Labor from its study of local wage conditions and data made available from other sources. They specify the basic hourly wage rates and fringe benefits which are determined to be prevailing for the described classes of laborers and mechanics employed on construction projects of a similar character and in the localities specified therein.

The determinations in these decisions of prevailing rates and fringe benefits have been made in accordance with 29 CFR Part 1, by authority of the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act of March 3, 1931, as amended (46 Stat. 1494, as amended, 40 U.S.C. 276a) and of other Federal statutes referred to in 29 CFR Part 1, Appendix, as well as such additional statutes as may from time to time be enacted containing provisions for the payment of wages determined to be prevailing by the Secretary of Labor in accordance with the Davis-Bacon Act. The prevailing rates and fringe benefits determined in these decisions shall, in accordance with the provisions of the foregoing statutes, constitute the minimum wages payable on Federal and federally assisted construction projects to laborers and mechanics of the specified classes engaged on contract work of the character and in the localities described therein.

Good cause is hereby found for not utilizing notice and public comment procedure thereon prior to the issuance

of these determinations as prescribed in 5 U.S.C. 553 and not providing for delay in the effective date as prescribed in that section, because the necessity to issue current construction industry wage determinations frequently and in large volume causes procedures to be impractical and contrary to the public interest.

General wage determination decisions, and modifications and supersedeas decisions thereto, contain no expiration dates and are effective from their date of notice in the **Federal Register**, or on the date written notice is received by the agency, whichever is earlier. These decisions are to be used in accordance with the provisions of 29 CFR Parts 1 and 5. Accordingly, the applicable decision, together with any modifications issued, must be made a part of every contract for performance of the described work within the geographic area indicated as required by an applicable Federal prevailing wage law and 29 CFR Part 5. The wage rates and fringe benefits, notice of which is published herein, and which are contained in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under the Davis-Bacon And Related Acts," shall be the minimum paid by contractors and subcontractors to laborers and mechanics.

Any person, organization, or governmental agency having an interest in the rates determined as prevailing is encouraged to submit wage rate and fringe benefit information for consideration by the Department. Further information and self-explanatory forms for the purpose of submitting this data may be obtained by writing to the U.S. Department of Labor, Employment Standards Administration, Wage and Hour Division, Division of Wage Determinations, 200 Constitution Avenue, N.W., Room S-3014, Washington, D.C. 20210.
