The first meeting of the Study Group on the Protection of Minors will take place on Friday, September 8, 1995 in the large conference room in the South

Building, Navy Hill, west of the main Department of State building, from 9:30 a.m. to about 4:30 p.m.

The *purpose of the meeting* is to review and provide expert guidance on the preliminary draft of a convention (multilateral treaty) that was prepared by a special commission of the international organization known as the Hague Conference on Private International Law. That organization decided in 1993 to prepare by 1996 a convention revising the 1961 Hague Convention on the Competence of Authorities and the Law Applicable to the Protection of Minors. The draft revised convention addresses various aspects of parental responsibility, rights of custody, the designation and functions of any person or institution charged with responsibility for a child's person or property, jurisdiction, applicable law, the recognition and enforcement of measures of protection taken, and international cooperation to achieve the objectives of the convention.

Guidance on the draft convention that will be the basic working document at the third session of the special commission of the Hague Conference at The Hague on September 11-22, 1995 will be *crucial* to the effective participation of the U.S. delegation in that session. The draft convention emerging from that session will form the basic working document for the next intergovernmental diplomatic conference of the Hague Conference itself in October 1996, at the conclusion of which the convention is to be ready for signature and ratification.

Copies of documents consisting of the preliminary draft convention, conclusions resulting from the second special commission session in February 1995, and a set of issues to be discussed at the study group meeting *may be obtained* by contacting Ms. R. Gonzales by fax at (202) 776-8482 or by writing to Ms. Gonzales, Office of the Legal Adviser (L/PIL), Suite 203 South Building, 2430 "E" Street NW., Washington, DC 20037-2800.

Members of the *general public may attend* the September 8 meeting up to the capacity of the conference room, subject to the direction of the Chair. Access to the South Building grounds ("Navy Hill") is controlled, and those planning to attend should notify Ms. Gonzales (telephone: (202) 776-8420; fax: (202) 776-8482) not later than Wednesday, September 6, of their name, affiliation, address, phone number, date of birth and social security number. Persons interested in the project but unable to attend are welcome to request documents and submit *written comments or proposals* by fax or letter

National Highway Traffic Safety Administration

[Docket No. 95-66; Notice 1]

Notice of Receipt of Petition for Decision That Nonconforming 1992 Volkswagen Passat 4-Door Sedan Passenger Cars are Eligible for Importation

AGENCY: National Highway Traffic Safety Administration, DOT.

ACTION: Notice of receipt of petition for decision that nonconforming 1992 Volkswagen Passat 4-Door Sedan passenger cars are eligible for importation.

SUMMARY: This notice announces receipt by the National Highway Traffic Safety Administration (NHTSA) of a petition for a decision that a 1992 Volkswagen Passat 4-Door Sedan that was not originally manufactured to comply with all applicable Federal motor vehicle safety standards is eligible for importation into the United States because (1) it is substantially similar to a vehicle that was originally manufactured for importation into and sale in the United States and that was certified by its manufacturer as complying with the safety standards, and (2) it is capable of being readily altered to conform to the standards.

DATES: The closing date for comments on the petition is September 25, 1995.

ADDRESSES: Comments should refer to the docket number and notice number, and be submitted to: Docket Section, Room 5109, National Highway Traffic Safety Administration, 400 Seventh St., SW, Washington, DC 20590. [Docket hours are from 9:30 am to 4 pm]

FOR FURTHER INFORMATION CONTACT:

George Entwistle, Office of Vehicle Safety Compliance, NHTSA (202-366-5306).

SUPPLEMENTARY INFORMATION:

Background

Under 49 U.S.C. 30141(a)(1)(A) (formerly section 108(c)(3)(A)(i)(I) of the National Traffic and Motor Vehicle Safety Act (the Act)), a motor vehicle that was not originally manufactured to conform to all applicable Federal motor vehicle safety standards shall be refused admission into the United States unless NHTSA has decided that the motor vehicle is substantially similar to a motor vehicle originally manufactured for importation into and sale in the United States, certified under 49 U.S.C. 30115 (formerly section 114 of the Act), and of the same model year as the model of the motor vehicle to be compared, and is capable of being readily altered to conform to all applicable Federal motor vehicle safety standards.

Petitions for eligibility decisions may be submitted by either manufacturers or importers who have registered with NHTSA pursuant to 49 CFR part 592. As specified in 49 CFR 593.7, NHTSA publishes notice in the **Federal Register** of each petition that it receives, and affords interested persons an opportunity to comment on the petition. At the close of the comment period, NHTSA decides, on the basis of the petition and any comments that it has received, whether the vehicle is eligible for importation. The agency then publishes this decision in the **Federal Register**.

Champagne Imports, Inc. of Lansdale, Pennsylvania ("Champagne") (Registered Importer 90-009) has petitioned NHTSA to decide whether 1992 Volkswagen Passat 4-Door Sedan passenger cars are eligible for importation into the United States. The vehicle which Champagne believes is substantially similar is the 1992 Volkswagen Passat 4-Door Sedan that was manufactured for importation into, and sale in, the United States and certified by its manufacturer, Volkswagenwerke A.G., as conforming to all applicable Federal motor vehicle safety standards.

The petitioner claims that it carefully compared the non-U.S. certified 1992 Volkswagen Passat 4-Door Sedan to its U.S. certified counterpart, and found the two vehicles to be substantially similar with respect to compliance with most Federal motor vehicle safety standards.

Champagne submitted information with its petition intended to demonstrate that the non-U.S. certified 1992 Volkswagen Passat 4-Door Sedan, as originally manufactured, conforms to many Federal motor vehicle safety standards in the same manner as its U.S.
