

**DEPARTMENT OF DEFENSE****Department of the Army****Environmental Assessment and Finding of No Significant Impact for the Transfer of Administrative Control and Relinquishment of Approximately 13,150 Acres of Fort Wingate Army Depot**

AGENCY: Department of the Army, DOD.

ACTION: Notice of availability.

**SUMMARY:** In accordance with Public Law 100-526, the Defense Authorizations and Amendments and Base Closure and Realignment Act of 1988, the Defense Base Closure and Realignment Commission recommended the closure of Fort Wingate Army Depot (FWAD), New Mexico. This recommendation became law on January 5, 1989. The Department of Defense will transfer administrative control and relinquishment of approximately 13,150 acres of the approximately 22,000 acre Fort Wingate Army Depot. The Secretary of Defense has determined that no further military need for this portion of the property exists and the Secretary of the Interior has agreed that the lands are suitable for return to the public domain. The relinquishment of this property to the Department of the Interior is required by the Federal Land Policy and Management Act of 1976 (43 United States Code Annotated (USCA) 1701 *et seq.*).

The environmental assessment evaluates the environmental impacts associated with the transfer of administrative control and relinquishment of approximately 13,150 acres of the approximately 22,000 FWAD.

The action will not alter the baseline environmental conditions at FWAD. No construction, mission change, demolition or other such physical actions will occur. Therefore, there would be no impacts on air quality, transportation, water supply, wastewater systems, solid waste, infrastructure, energy, communications, and socioeconomic resources such as housing, schools, and health and safety services. Accordingly, a Finding of No Significant Impact has been prepared.

**DATES:** Inquiries will be accepted within 15 days of the publication of this Notice of Availability.

**ADDRESSES:** Copies of the Environmental Assessment and Finding of No Significant Impact can be obtained by writing to the U.S. Army Corps of Engineers, Mobile District, ATTN: CESAM-PD-EC (Mr. Doug Nester), Mobile, Alabama 36628-0001
