Deletions

If the Committee approves the proposed deletions, all entities of the Federal Government will no longer be required to procure the services listed below from nonprofit agencies employing people who are blind or have other severe disabilities.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities.
2. The action does not appear to have a severe economic impact on future contractors for the services.
3. The action will result in authorizing small entities to furnish the services to the Government.
4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41, U.S.C. 46-48c) in connection with the services proposed for deletion from the Procurement List.

The following services have been proposed for deletion from the Procurement List:

Janitorial/Custodial, Henry R. Koen Federal Building, W. Main and Fargo Street, Russellville, Arkansas
Janitorial/Custodial, Area C, Wright-Patterson Air Force Base, Ohio
