Applicant's Representations

1. Applicant is an open-end diversified management investment company that was organized as a

California corporation. On August 20, 1986, applicant registered as an investment company under section 8(a) of the Act and filed a registration statement relating to its shares under section 8(b) of the Act and the Securities Act of 1933. The registration statement was declared effective on October 1, 1986, and applicant commenced its initial public offering on that date.

2. At meetings held on March 16, 1993 and May 18, 1993, applicant's Board of Directors approved a plan of reorganization whereby the U.S. Government Series (the "USG Series") of the Franklin Custodian Funds, Inc. (the "Franklin Fund") would acquire substantially all of applicant's assets (subject to stated liabilities) in exchange for shares of common stock of the USG Series. Applicant's Board of Directors determined that the reorganization could benefit applicant's shareholders by allowing them to achieve their investment goals in a larger fund while obtaining the benefits of economies of scale.

3. In accordance with rule 17a-8 under the Act, applicant's Board of Directors determined that the sale of applicant's assets to the Franklin Fund was in the best interest of applicant's shareholders, and that the interests of the existing shareholders would not be diluted as a result.¹

4. On May 19, 1993, Franklin Fund filed a registration statement on Form N-14, which contained proxy materials soliciting the approval of the reorganization by applicant's shareholders. On or about July 2, 1993, proxy materials were distributed to each of applicant's shareholders. At a special meeting held on August 30, 1993, holders of a majority of the outstanding voting shares of applicant approved the reorganization.

5. On August 30, 1993, applicant had 961,198 shares of common stock outstanding with a net asset value of \$10.32 per share and an aggregate net asset value of \$9,919,863.

7. The expenses related to the reorganization totaled approximately \$11,500. These expenses included legal and audit fees and the expenses of printing, typesetting, and mailing proxy statements and related documents. Such expenses were borne by Franklin Advisers, Inc., applicant's investment adviser.

8. At the time of filing of the application, applicant had no assets or liabilities. Applicant has no shareholders and is not a party to any litigation or administrative proceedings. Applicant is not engaged in, and does not propose to engage in, any business activities other than those necessary for the winding up of its affairs.
