[Docket No. CP95-670-000]**Natural Gas Pipeline Company of America; Renotice of Application**

August 21, 1995.

Natural's application in Docket No. CP95-670-000 was inadvertently entitled "NOTICE OF REQUEST UNDER BLANKET AUTHORIZATION" and had the corresponding boiler-plate language, referencing a 45-day notice period when noticed on August 15, 1995. (60 FR 43790, August 23, 1995.)

In view of the above, Natural's application will be renoticed as a "NOTICE OF APPLICATION" and given a 21-day comment period.

abandon, by sale to Shell Offshore Inc. (Shell), lateral and meter facilities located in offshore Louisiana, all as more fully set forth in the application on file with the Commission and open to public inspection.

It is stated that the facilities were originally constructed to receive gas purchased from Shell in offshore Louisiana. Natural states that these facilities are no longer related to any gas purchase contracts and hence, no longer hold sufficient value to Natural, to warrant the expenditures required to maintain them.

Specifically, Natural proposes to abandon: (1) 2.8 miles of 8-inch pipeline that extends between Shell's "A" and "B" platforms in Eugene Island Block 331, offshore Louisiana, (2) a dual 8-inch meter and appurtenant facilities located on Shell's "A" platform in Eugene Island Block 331, offshore Louisiana, (3) a 10-inch dual meter and appurtenant facilities located on Shell's platform in Vermilion Block 321, offshore Louisiana, (4) a dual 6-inch meter and appurtenant facilities located on Shell's platform in Vermilion Block 340, offshore Louisiana, and (5) a dual 8-inch meter and appurtenant facilities located on Shell's platform in West Cameron 565, offshore Louisiana. Natural states that it intends to sell the facilities to Shell for \$260,000.

Any person desiring to be heard or to make any protest with reference to said application should on or before September 5, 1995, file with the Federal Energy Regulatory Commission, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if

the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.
