McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published

in order to comply with the April 21, 1993 Court Order in *National Coalition for Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

These properties reviewed are listed as suitable/available and unsuitable. In accordance with the Pryor Act Amendment the suitable properties will be made available for use to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Please be advised, in accordance with the provisions of the Pryor Act Amendment, and if no expressions of interest or applications are received by the Department of Health and Human Services (HHS) during the 60 day period, these properties will not longer be available for use to assist the homeless. In the case of buildings and properties for which no such notice is received, these buildings and properties shall be available only for the purpose of permitting a redevelopment authority to express in writing an interest in the use of such buildings and properties. These buildings and properties shall be available for a submission by such redevelopment authority exclusively for one year.
