International Trade Administration

Amendment of Initiation of Countervailing Duty Administrative Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of amendment of initiation of countervailing duty administrative reviews.

SUMMARY: The Department of Commerce (the Department) published *Interim Regulations* (interim rules) in the **Federal Register** on May 11, 1995 (60 FR 25130) which affected the requirements for requesting administrative reviews of countervailing duty orders beginning January 1, 1995. Parties who had requested administrative reviews of countervailing duty orders since that time were notified of these changed requirements and were provided an opportunity to amend their requests to comply with the Department's new interim rules. Having received the amended requests for review, the Department is now amending the notices of initiation for administrative reviews requested after January 1, 1995.

EFFECTIVE DATE: September 1, 1995.

FOR FURTHER INFORMATION CONTACT: Barbara E. Tillman, Office of Countervailing Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, telephone: (202) 482-2786.

SUPPLEMENTARY INFORMATION:

Background

Since January 1, 1995, the Department received several timely requests, in

accordance with 19 CFR 355.22(a) (1994), for administrative reviews of countervailing duty orders and initiated those proceedings. On May 11, 1995, however, the Department published interim rules in the **Federal Register** which amend the existing countervailing duty regulations in accordance with certain amendments to the Tariff Act of 1930, as amended (the Act) made by the Uruguay Round Agreement Act. Under the revised § 355.22(a), each year during the anniversary month of the publication of an order, (1) an interested party may request that the Secretary conduct an administrative review of specified individual producers or exporters covered by an order, if the requesting person states why the person desires the Secretary to review those particular producers or exporters; (2) a producer or exporter covered by an order may request a review of only that person; and (3) an importer may request a review of only a producer or exporter of the merchandise imported by that importer. See interim rules, § 355.22(a). As a result, there is no longer a preference for calculating a single country-wide rate in countervailing duty proceedings and reviews will instead be conducted on a company-specific basis.

The Department advised requesting parties of these new requirements and provided them an opportunity to comply with the interim rules. Accordingly, the Department is now amending the notices of initiation of reviews of countervailing duty orders which were requested after January 1, 1995 to indicate the specific companies for which a review was requested.

Court Decision and Suspension of Liquidation: Circular Welded Non-Alloy Steel Pipe From Korea

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of court decision and suspension of liquidation.

SUMMARY: On August 11, 1995, in the case of *Laclede Steel Co. v. United States*, Cons. Ct. No. 92-12-00784, Slip Op. 95-144 ("Laclede"), the United States Court of International Trade (the Court) affirmed the Department of Commerce's (the Department's) results of redetermination on remand of the final determination of sales at less than fair value of circular welded non-alloy steel pipe from Korea. Consistent with the decision of the United States Court of Appeals for the Federal Circuit (Federal Circuit) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) ("*Timken*"), the Department will not order the liquidation of the subject merchandise entered or withdrawn from warehouse from consumption prior to a "conclusive" decision in this case.

EFFECTIVE DATE: August 21, 1995.

FOR FURTHER INFORMATION CONTACT: Erik Warga, Office of Antidumping Investigations, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, telephone: (202) 482-0922.

SUPPLEMENTARY INFORMATION:

Background

On September 17, 1992, the Department published its final determination of sales at less-than-fair-value. *Final Determination of Sales at Less Than Fair Value: Circular Welded Non-Alloy Steel Pipe From the Republic of Korea*, 57 FR 42942 (Sept. 17, 1992). On November 2, 1992, the Department published its amendment to the final determination of sales at less-than-fair-value. *Notice of Antidumping Orders: Certain Circular Welded Non-Alloy*

Steel Pipe from Brazil, the Republic of Korea, Mexico, and Venezuela, and Amendment to Final Determination of Sales at Less Than Fair Value: Circular Welded Non-Alloy Steel Pipe From the Republic of Korea, 57 FR 49453 (Nov. 2, 1992).

Subsequent to the Department's final determination, petitioners and three of the investigated companies filed lawsuits with the Court challenging this determination. Thereafter, the Court issued an Order and Opinion dated October 12, 1994, in *Laclede Steel Co. v. United States*, Cons. Ct. No. 92-12-00784, Slip Op. 94-160, remanding three issues to the Department. The Court instructed the Department to (1) reconsider its original determination that certain overrun pipe sales were within the ordinary course of trade; (2) grant duty drawback adjustments on all U.S. sales, including those compared to constructed value; and (3) conduct a correlation test, utilizing only the price factor, to determine whether there was a correlation between price and levels of trade for the subject merchandise.

The Department filed its remand results on March 3, 1995. On March 9, 1995, the Department filed amended results to correct certain typographical errors. In the remand results, the Department found the overrun pipe sales at issue to be outside the ordinary course of trade. In accordance with the Court's instructions, the Department granted adjustments for duty drawback for all U.S. sales. Additionally, as the results of the correlation test were inconclusive, the Department calculated foreign market value without regard to level of trade.

On August 11, 1995, the Court sustained the Department's remand results. See *Laclede Steel Co. v. United States*, Cons. Ct. No. 92-12-00784, Slip Op. 95-144 (CIT Aug. 11, 1995).

Suspension of Liquidation

In its decision in *Timken*, the Federal Circuit held that, pursuant to 19 U.S.C. 1516a(e), the Department must publish notice of a decision of the Court or Federal Circuit which is "not in harmony" with the Department's determination. Publication of this notice fulfills this obligation. The Federal Circuit also held that in such a case, the Department must suspend liquidation until there is a "conclusive" decision in the action. A "conclusive" decision cannot be reached until the opportunity to appeal expires or any appeal is decided by the Federal Circuit. Therefore, the Department will continue to suspend liquidation pending the expiration of the period to appeal or

pending a final decision of the Federal Circuit if *Laclede* is appealed.

Acting Assistant Secretary for Import Administration.
