

In the instant filing, FGT is making tariff revisions to Rate Schedule NNTS as required by the Interim S&A. These revisions provide FGT's customers with increased flexibility for No-Notice Service. All of the proposed revisions relate to Rate Schedule NNTS customers' ability to request changes to NNTS service levels. Specifically, Section 3.A. of Rate Schedule NNTS is being revised to provide: (i) That, with respect to the initial three-year election option, FGT is not obligated to accept reductions to NNTS service quantities which would reduce the aggregate level of NNTS service quantities by more than 50 percent; and (ii) that shippers may also request changes to their NNTS service quantities annually, provided that FGT is not obligated to accept reductions, pursuant to the annual election option, to NNTS service quantities which would reduce the aggregate level of NNTS service subscribed. The tariff sheets filed herein are identical to Pro Forma Tariff Sheet Nos. 32 and 32A included in the Stipulation and Agreement filed August 24, 1995 ("August 24 S&A") in Docket No. RP95-103.

The revised service levels under Rate Schedules SFTS and NNTS will become effective October 1, 1995. However, these changes do not require tariff revisions.
