### Eligible Applicant

Assistance will be provided only to the ASHA. No other applications are solicited. The program announcement and application kit have been sent to ASHA. Eligibility is limited to ASHA because it provides representation from a wide variety of professionals in health, education, and social services around the country who serve children through school health programs or related research. ASHA was created specifically to represent this wide variety of professionals, and is unique in its role as a liaison between the school health community and government and other national organizations. With a current membership of 3500 the ASHA has served as a policy development and capacity building organization for more than 70 years. One of its major objectives is the sharing of information that will support school health programs and protect and improve the well-being of children. Thus, the ASHA membership will benefit directly from a compiled body of knowledge that can be used to improve and create quality school health programs and which helps ASHA affiliated researchers to focus their work on key questions.

The ASHA's commitment to improvement of the health of school-aged children and demonstrated ability to produce and disseminate information accessible to a wide variety of school health professionals are demonstrated by its flagship publication the *Journal of School Health* whose articles cover all areas of medical and education practice with special application to school health programs, and which circulates in the U.S. and 56 foreign countries. In addition, the ASHA has a long history of special publications including "Achieving the 1990 Health Objectives for the Nation: Agenda for the Nation's Schools" and "Recommendations for Delivery of Comprehensive Primary Health Care to Children and Youth in the School Setting."

The ASHA has established an advisory panel and a review panel of its members representing graduate academic programs training school health professionals within various disciplines to provide expertise in the planning and conduct of this project. Other professional organizations to which the advisory panel members belong and will serve as agents of for this project include the American Alliance for Health, Physical Education, Recreation and Dance, the American Public Health Association, the Society

for the Promotion of Health Education, the Association for the Advancement of Health Education, the International Union on Health Education and Promotion, the American Dietetic Association, and the American School Food Service Association. These organizations will serve as resources for the collection of school health evaluations and will benefit from the dissemination of the final review and synthesis.

### DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

#### Office of the Assistant Secretary for Community Planning and Development

[Docket No. FR-3778-N-53]

#### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**ADDRESSES:** For further information, contact Mark Johnston, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TDD number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 56 FR 23789 (May 24, 1991) and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1998 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been

reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A-10, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 56 FR 23789 (May 24, 1991).

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this

Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: U.S. Navy: John J. Kane, Deputy Division Director, Dept. of Navy, Real Estate Operations, Naval Facilities Engineering Command, 200 Stovall Street, Alexandria, VA 22332-2300; (703) 325-0474; Dept. of Energy: Tom Knox, Realty Specialist, AD223.1, 1000 Independence Ave. SW, Washington, DC 20585; (202) 586-1191; GSA: Ed Guilford, Federal Property Resources Services, GSA, 18th and F Streets NW, Washington, DC 20405; (202) 501-2059; Dept. of Interior: Lola D.
