

**Procedural Matters**

Any person desiring to be heard or to protest this application should file a petition to intervene or protest at the address provided above in accordance with 385.211 or 385.214 of the Rules of Practice and Procedure (18 CFR 385.211, 385.214).

Any such petitions and protests should be filed with the DOE on or before the date listed above. Additional copies of such petitions to intervene or protest also should be filed directly with: Dennis Beals, Manager, Bulk Power Trading & Customer Services, Arizona Public Service Company, P.O. Box 53999, Station 9860, Phoenix, AZ 85072-3999 and Bruce A. Gardner, Esq., Senior Attorney, Arizona Public Service Company, P.O. Box 53999, Station 9820, Phoenix, AZ 85072-3999.

Pursuant to 18 CFR 385.211, protests and comments will be considered by the DOE in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a petition to intervene under 18 CFR 385.214. Section 385.214 requires that a petition to intervene must state, to the extent known, the position taken by the petitioner and the petitioner's interest in sufficient factual detail to demonstrate either that the petitioner has a right to participate because it is a State Commission; that it has or represents an interest which may be directly affected by the outcome of the proceeding, including any interest as a consumer, customer, competitor, or security holder of a party to the proceeding; or that the petitioner's participation is in the public interest.

A final decision will be made on the application for Presidential permit contained in docket PP-107 after a determination is made by the DOE that the proposed action is in the public interest and will not adversely impact on the reliability of the U.S. electric power supply system.

Before a Presidential permit or electricity export authorization may be issued or amended, the environmental impacts of the proposed DOE action must be evaluated pursuant to the National Environmental Policy Act of 1969 (NEPA).

Copies of this application will be made available, upon request, for public inspection and copying at the address provided above.

Issued in Washington, DC on August 31, 1995.

[Project No. 10867 Indiana]

**Holliday Historic Restoration, Associates; Notice of Availability of Final Environmental Assessment**

September 1, 1995.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission's) Regulations, 18 CFR Part 380 (Order No. 486, 52 FR 47897), the Office of Hydropower Licensing has reviewed the application for minor license for the proposed Holliday Hydroelectric Project located on the West Fork of the White River in Noblesville, Hamilton County, Indiana, and has prepared a Final Environmental Assessment (FEA) for the proposed project. In the FEA, the Commission's staff has analyzed the potential environmental impacts of the proposed project and has concluded that approval of the proposed project, with appropriate mitigative measures, would not constitute a major federal action significantly affecting the quality of the human environment.

Copies of the FEA are available for review in the Public Reference Branch, Room 3104, of the Commission's offices at 941 North Capitol Street, N.E., Washington, D.C. 20426.

[Project No. 2417 Wisconsin]

**Northern States Power Company; Notice of Availability of Final Environmental Assessment**

September 1, 1995.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission's) Regulations, 18 CFR Part 380 (Order No. 486, 52 F.R. 47897), the Office of Hydropower Licensing has reviewed the application for a subsequent license for the existing Hayward Hydroelectric Project, located on the Namekagon River, in the City of Hayward, Sawyer

County, Wisconsin and has prepared a Final Environmental Assessment (FEA) for the project. In the FEA, the Commission's staff analyzed the potential environmental effects of the existing project and has concluded that approval of the project, with appropriate protection or enhancement measures, would not constitute a major federal action significantly affecting the quality of the human environment.

The Notice of Availability of Draft Environmental Assessment for the Hayward Hydroelectric Project was issued on June 16, 1994. In response, the Commission received three comment letters which were reviewed by the Commission's staff and addressed in the FEA.

Copies of the FEA are available for review in the Public Reference Branch, Room 3104, of the Commission's offices at 941 North Capitol Street NE., Washington, DC 20426.

BILLING CODE 6717-01-M

[Docket No. TM96-1-23-000]

**Eastern Shore Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff**

September 1, 1995.

Take notice that on August 30, 1995, Eastern Shore Natural Gas Company (ESNG) tendered for filing certain substitute revised tariff sheets included in Appendix A attached to the filing. Such sheets are proposed to be effective October 1, 1995.

ESNG states that the purpose of the instant filing is to reflect a decrease of \$0.0001 per dt in the Annual Charge Adjustment (ACA) in the commodity portion of its sales and transportation rates. Pursuant to Order No. 472, the Commission assessed ESNG its ACA charge based on \$0.0023/Mcf for the annual period commencing October 1, 1995. In accordance with Section 25 of the General Terms and Conditions of ESNG's FERC Gas Tariff, ESNG's proposed tariff sheets track the Commission approved ACA rate of \$0.0023 per Mcf (\$0.0022 per dt on ESNG's system) commencing October 1, 1995.

ESNG states that copies of the filing have been served upon its jurisdictional customers and interested State Commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825
