[Docket No. RP95-424-000]

Natural Gas Pipeline Company of America; Notice of Proposed Changes in FERC Gas Tariff

September 1, 1995.

Take notice that on August 29, 1995, Natural Gas Pipeline Company of America (Natural) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1 and Second Revised Volume No. 2, revised tariff sheets to be effective December 1, 1995.

Natural states that the purpose of the filing is to comply with the Commission's June 26, 1995 order in Docket Nos. RP95-326-000 and RP95-242-000 under which Natural is to submit revised rates reflecting the customers' August 1 service elections. This filing deals with the Primary Case submitted by Natural. Natural states that while the service elections were generally submitted under the new

services pursuant to the Pro Forma Case, those elections provided Natural with specific evidence as to the level of services its customers desire on Natural's system on and after December 1, 1995. This filing is being submitted solely as a fall back in the event the Commission does not allow the Pro Forma Case (revised rates for which were submitted on August 18) to go into effect on December 1, 1995.

Natural states that due to the significant fly-up in maximum rates created by these changes, it is proposed a deferred cost procedure to avoid such rate increases.

Natural requested waiver of the Commission's Regulations to the extent necessary to permit the tariff sheets to become effective December 1, 1995.

Natural states that copies of the filing are being mailed to Natural's jurisdictional customers, interested state regulatory agencies and all parties on the official service list.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 or 385.214 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before October 27, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
